## Ukuza kwa kabiri

(Yes 65: 17-19) "Dore, nzarema ijururishya n'isi nshya. Ibintu byahozze ntibizabaho. wibuke, kandi ntibazibuka. 18 Ariko wishime kandiwishimire iteka mubyo nshaka

kurema, kuko nzarema Yerusalemu kugirango ibe umunezero kandi abaturage bayobishimye. Nzishima cyane Yerusalemu kandiwishimire ubwoko bwanjye; ijwi ryo kurira no kurira ntirizongera kumvikana muri ryo. "

(Yes. 66: 22-23) "Nkuko ijururishya n'isi nshya naremye bizahoraho imbereyanjye,"

ni ko Uwiteka avuga, "ni ko izina ryawe n'abazabakomokaho bihoraho. 23 Kuva ku kwezi kumwe kugeza Undi, kuva ku Isabato imwe ujya mu yindi, abantu bose bazaza bunamyeye imbere yanjye. "

(2 Pet 3: 10-13) Ariko umunsi w'Uwiteka uzaza nk'umujura. Ijuru rizashira hamwe n'ijwi rirenge; ibintu bizarimburwa n'umuriro, isi n'ibiyirimo byose bizashyirwaahagaragara. 11 Ko ibintu byose bizarimburwa muri ubu buryo, ukwiye kuba abantu bwoko ki?

Ugomba kubaho ubuzima bwera kandi bwubaha Imana 12 mugihe utegereje umunsi w'Imana kandi wihutisha ukuza kwayo. Uwo munsi uzazana kurimbuka kwijuru n'umuriro, kandi ibintu bizashonga mubushuhe. 13 Ariko dukurikije amasezerano ye dutegereje ijururishya n'isi nshya, inzu yo gukiranuka.

(1 Kor. 15: 35-44) Ariko umuntu arashobora kubaza ati: "Abapfuye bazuka bate? Numubiri ki? bazaza?" 36 Mbegaubupfapfa Ibyo ubiba ntibizima keretse iyobipfuye

ubiba, ntabwo utera umubiri uzaba, ahubwo ni imbuto gusa,yenda ingano cyangwaya

ikindi kintu. 38 Ariko Imana iha umubiri nkukoyabigambiriye, kandi ubwoko bwose bw'imbutu butanga umubiriwabwo.

39 Inyama zose ntizisa: Abagabo bafite ubwoko bumwe bwinyama, inyamaswa zifite ubundi, inyoni nizindi no kuroba undi. 40 Hariho n'imibiri yo mwijuru kandi hariho imibiriyisi; ariko

ubwiza bwimibiri yo mwijuru nubwoko bumwe, kandi ubwiza bwimibiriyisi nubundi.

41 Izuba rifite ubwoko bumwe bw'ubwiza, ukwezi ukundi n'inyenyeriubundi; ninyenyeri itandukanye ninyenyeri mubwiza.

42 Niko bizagenda no ku izuka ry'abapfuye. Umubiriwabibwe urashobora kwangirika, ni

yazamuye bidashoboka; 43 yabibwe mu cyubahiro, izamurwa mu cyubahiro; yabibwe mu ntege nke, ni

yazamuwe ku butege; 44 yabibwe umubiri usanzwe, izamurwa umubiri wumwuka. Niba hariho umubiri karemano, hariho n'umubiri wumwuka.

Isi ishaje izarimburwa isimburwe nisi nshya Imana ituyemo. Byongeye kandi,

imibiriyacu izasimburwa numubiri mushya, wumwuka utandukanyemuburyo bwimibiriyacu.

(1 Kor. 15: 51-53) Umva, ndakubwira ibanga: Ntabwo twese tuzasinzira, ariko twese tuzahinduka-

52 mu kumurika, mu kanya nk'ako guhumbya, ku nzambaya nyuma. Impandaizumvikana, i yapfuye (Umubiri Imana yaremye mubintu byisi) izazuka bidasubirwaho, kandi tuzaba

yahinduwe. 53 Eregaabangirika bagomba kwambara imyendaidashobora, kandi bapfa budapfa.

(1 Kor. 15: 22-26) Kuberako nkuko muri Adamu bose bapfa, niko muri Kristo bose bazazima. 23 Ariko buri wese muri we igihe cye bwite: Kristo, imbuto zambere; noneho, iyo aje, abiwe. 24 Noneho imperukaizaza, igihe azashyikiriza Imana Data ubwami amaze kurimbura ubutware bwose, ubutware n'imbaraga zose. 25 Kuko azategekakugeza ashize abanzi be bose muni ye ibirenge. 26 Umwanzi wa nyuma uzarimburwa ni urupfu. (Izuka rya Kristo ryari intsinzi y'urupfu ku butegetsi bwa Satani ku muntu)

Ukuza kwa kabiri kwa Yesu ni ukuza. Ntabwo twahamagariwemwijuru kubana na Yesu. Ahubwo, Yesu yagarutse kubana nabantu be.

Isi ishaje (isiifatika) izarimburwa, rwose izarangiza "ubutware, ubutware n'imbaraga zose."

Hanyuma, Yesu azahindura isi nshya ku Mana, nkuko twabibonye, izatura mu isi nshya

isi. Kandi ntiwumve, nkuko abantu basezerana ari bo bazoba mw'isi nshasha, nta rupfu ruzobaho, kandi rero urupfu ruzoba rwarimbutse.

(Fil. 3: 20-21) Ariko ubwenegihugu bwacu buri mwijuru. Kandi dutegerezanyije amatsiko Umukiza uva aho, Umwami Yesu Kristo, 21, kubwimbaraga zimushoboza kuyobora byosemubuyobozi bwe, azahindura imibiriyacuyoroheje (ikozwe mu mukungugu) kugirango bazabe nkumubiri we wicyubahiro.

Nibura byibuze ikindi gicegisanyugushushanya ukundi.

(1 Abates. 17 Nyumayibyo, twe abakiriho kandi dusigaye tuzafatirwa hamwe nabo mu bicu kugira ngo duhure n'Umwami mu kirere. Kandi rero tuzabana na Nyagasani ubuziraherezo.

Nubwo tubona ukuza kwa Yesu kuva mwijuru, tubwirwa kandi ko ubushake bw'abakijijwe

fata mu bicu kumusanganira. Ntabwo tubona abakristu bajyanywemwijuru cyangwa basubiye mwisi. Nta nkeka, ntuguma mu bicu!

Ibisobanuro bya Pawulo byerekana uko Yesu yongeye kugaragara mu 1 Abatesalonike 4 ni verisiyo ifite amabara meza cyane y'ibyo avuga mu bindi bice bibiri, 1 Abakorinto 15: 51-54 n'Abafilipi 3: 20-21: Igihe Yesu "aje" cyangwa "agaragara," abakiriho bazahinduka "cyangwa bahindurwe" kugira ngo imibiri yabo ipfahinduka, idapfa. Ibi nibyo byose Pawulo

ashaka kuvuga mu Batesalonike, ariko hano yatije amashusho - ahereye kuri Bibiliya na politiki - kugirango yongere ubutumwa bwe.

Inzu ya Data ni ibyumbabyinshi; niba ataribyo, nakubwira. Ndagiye

tegura umwanya wawe. 3 Niba ngiye kubategurira umwanya, nzagaruka mfate

ugomba kubana nanjyekugirango nawe uzabe aho ndi. 4 Uzi inzira igana aho ngiye.”

Yesu azaba mu nzu ya Se mberey'abayoboke be. icyemezo kigomba kuboneka muri Ibyahishuwe 21: 2, ibyo twabivuze mbere.

2 Nabonye Umujyi Wera, Yerusalemu nshya, umanuka uva mwijuru uva ku Mana, witeguye nk umugeni yambaye neza kumugabo we. (Kubera ko UmujyiWera, Yerusalemu Nshya yateguwe nk'umugeni, ni Itorero rye).

\* Amashusho ni ishushoyimvugo, ariko twahawe kugirango adufashe gusobanukirwa no gutegereza kandi birebire imperuka. Ariko Iherezo ryasezeranijwe kuba intangirironshya, itabora, bidashoboka.

\* Iyi si nshya izaba itandukanye cyane niyacu. Pawulo asobanura neza ko bitazaba kimwe.

\* Hazabaho gutandukanakubakijijwe nababuze byanze bikunze bizabaho, nabazimiye izakurwa imbereyImana. 2 Tes. 1: 9.

\* Muri rusange, ntekereza ko Wright afite uburenganzira. Uku gusobanukirwa bisa nkaho byemejwe neza ibi bice kandi bihuye cyane nabahanuzi.

\* Niba tutabonye gutura muri Yerusalemu nshya kwisi nshyakugezaimperuka, nihehe tubaho kugezaicyogihe?
