

Isaha Yijimye Cyane

Mu buzima bwanjye bwose numvise ko urupfu rwa Kristo ari rwo rw'ingenzi mu mateka yose. Ibyanditswe byera birabihamya, si byo se? Pawulo aravuga ati: "Birangirire kure yanjye kwirata ikindi kintu kitari umusaraba w'Umwami wanjye Yesu Kristo" (Abagalatiya 6:14) kandi "Kuko ubutumwa bw'umusaraba ari ubupfu ku bari kurimbuka, ariko ku bakizwa ni imbaraga z'Imana." (1 Abakorinto 1:18)

Turirimba indirimbo nyinshi nziza zivuga ku musaraba.

Kandi nkunda uwo musaraba wa kera aho inkoramutima n'ibyiza cyane

Kubera ko isi y'abanyabyaha bazimiye yishwe

Bityo nzakunda umusaraba wa kera ukomeye

Kugeza igihe ibikombe byanjye bizarangirira;

Nzafata umusaraba wa kera ukomeye,

Nzawuhindura umunsi umwe n'ikamba

Indi ndirimbo igira iti: "Nta kintu mfite mu ntoki zanjye nzana, gusa umusaraba wawe ndawufashe." Uwo musaraba wa kera ukomeye washinzwe ku musozi witwa "Kalvari," ahantu hazwi cyane kubera umunuko wawo w'urupfu ku buryo hari irindi zina. Bawise Golgota, ahantu h'igihanga.

Nyuma y'urubanza rw'ikinyoma, imbere y'umutambyi mukuru w'Abayahudi, Yesu yajyanywe imbere y'umutegeka w'Umuroma w'umunyabwoba witwaga Ponsiyo Pilato. Afite ubwoba n'umushitsi, yiyambuye inshingano ze maze atanga uwo mugabo ngo abambwe mu gihe yari arimo gukaraba intoki ze mu buryo bw'imihango. Yesu yakubiswe kandi akubitwa ibiboko, yazamutse kuri uwo musozi yambaye ikanzu y'umuhengeri n'ikamba ry'amahwa. Hari saa tatu za mu gitondo ku wa gatanu aho bamumanitse ku musaraba. Yamaze amasaha atatu yumva abantu bamutuka n'abamusekaga. Ati: "Mwami w'Abayahudi, Ha! Yakijije abandi, ntashobora kwikiza. Niba uri umwana w'Imana, manuka kuri uwo musaraba."

Saa sita z'amywa, hatangiye kubaho ikintu kidasanzwe. Umwijima uteye ubwoba wahise uhinduka umwijima ukabije ukwirakwira mu kirere. Ni nk'aho umuntu yari yafunze urugi azimya amatara maze aravuga ati "Muratakaza urumuri rw'isi." Umwijima wakomeje kwiyongera amasaha atatu maze ituze riteye ubwoba rikwira ku musozi wose. "Ku isaha ya gatandatu" (ni ukuvuga saa sita z'amywa) "umwijima wakwiriye isi yose kugeza ku isaha ya cyenda" (ni ukuvuga saa cyenda z'umugoroba) "Ku isaha ya cyenda Yesu arangurura ijwi cyane ati 'Eloyi, Eloyi, lama sabaktani?'—bisobanura ngo 'Mana yanjye, Mana yanjye, kuki wantaye?'" (Mariko 15:33)

Birashishikaje kubona amagambo "yataka cyane" mu Kigiriki ashobora guhindurwa ngo "urusaku." Ni ryo jambo ryakoreshejwe mu kuvuga urusaku rw'intare. Yaruvuze ari ku musaraba ati "Eloi, Eloi..." Benshi muri bo ntibasobanukiwe icyo yavugaga. Umurongo ukurikiraho wagiraga uti "Impamvu ahamagara Eliya." Oya, ntiyavuze ati "Eli, Eli," yaravuze ati "Eloi, Eloi" (Imana yanjye, Mana yanjye) "lama sabakthani" (kuki wantaye?)

Mu magambo arindwi Yesu yavuze ku musaraba, aya ni yo y'ingenzi cyane. Ibindi byose yavuze wakwitega ko azabivuga, si byo se? Ariko iyo uza kuba uzi ubuzima bwa Yesu, wakwitega ko azavuga ati "Data, ubababarire, kuko batazi icyo bakora." Ntibigutangaza kuba yareba umujura wamanitswe akavuga ati "Uyu muni, kubera ukwizera kwawe, uzaba uri kumwe nanjye muri paradizo." Kandi ntabwo bidutangaza rwose ko yarebaga nyina maze akamwereka Yohani ati "Dore umwana wawe, n'umwana wawe, dore nyoko." Ibyo byose byaturukaga mu kanwa ka Yesu.

Ariko ibi byari bitandukanye. Yari ahagaze aho, areba abamushyinye. Yego, byari ubuntu, yego byari impuhwe. Iri ryari induru, induru y'agahinda. "Mana yanjye, Mana yanjye, kuki wantaye?" Ku nsi y'umusaraba ntibari babyumva, kandi abantu benshi na n'ubu ntibabyumva. Yari arimo kuvuga iki?

1. Induru y'agahinda . Ese uzi icyo uwo mwijima wakwirakwiriyeye mu gihugu mu masaha atatu wagereranyaga? Mu byanditswe Byera, umwijima uhora ugereranya ikibi. "Umucyo waje mu isi, ariko abantu bakundaga umwijima kuruta umucyo kuko imirimo yabo yari mibi." (Yohana 3:19) Ubwami bwa Satani bwitwaga ubwami bw'umwijima. (Abakolosayi 1:13) Mu buryo bunyuranye n'ibyanditswe byinshi, umucyo ugaragara hamwe n'ubuturo n'ubwiza bw'Imana. Kubura umucyo kuri uwo muni bigaragaza ko Imana idafite. Ubwo Imana, umubyeyi, yahindukiraga, ni nk'aho yari arimo guhamagarira abantu bose ku kintu atashoboraga kwihanganira kwirebera.

Urabizi ko twibanda ku gutaka kwa Yesu, ariko nakunze kwibaza icyari kiri mu mutima wa se ubwo umwijima wakwirakwiraga n'itabaza rigenda rizamuka, maze yumva amagambo agira ati "Mana yanjye, Mana yanjye, kuki wantaye?" Byari induru iteye ubwoba y'agahinda.

2. Induru yo gutandukana . Reka tugere ku mutima w'ibyo. Yesu yashakaga kuvuga iki? "Mana yanjye, Mana yanjye, kuki wantaye?" Ibyo byanditswe muri Zaburi 22:1. Hari abahanga bavuze bati: "Mana yari ahari, Yesu yari arimo gusohozza ubuhanuzi asubiramo ibyanditswe byera." Oya, ni byinshi kuruta ibyo.

Birashishikaje kubona inshinga ikoresheya aho ari inshinga imwe Pawulo yakoresheje muri 2 Timoteyo 4:10 ubwo yandikaga iby'uwahoze ari mugenzi we witwaga Dema. "Dema yarantaye kuko yakunze iyi si cyane." Iryo jambo risobanura "gutererana." Bisobanura kugenda, guhunga. Yesu yarataka ati "Mana yanjye, Mana yanjye, kuki wantaye?" Kuki wampunze? Kuki wansize hano? Ku nshuro ya mbere mu bihe byose, ikintu kidasanzwe ushobora gusobanukirwa cyabayeho. Data, Umwana, n'Umwuka Wera, Imana imwe ihoraho, baratandukanye.

Ubumana buratandukanye kuko Yesu yari yaratandukanye na Se. Ntibyigeze bibaho mbere kandi ntibizongera kubaho ukundi.

Kuki Imana yatererana Yesu igihe icyo ari cyo cyose, cyane cyane ubu ngubu igihe cyose? Ni iki Yesu yakoze nabi? Igisubizo ni: Nta na kimwe. Nta na kimwe. Urabona ko atari cyo yakoze cyari kibi. Ni cyo yari yiteguye gukora ku bw'ibibi byacu. Imwe mu mirongo ikomeye isobanura iri jwi mu byanditswe byera igira iti "Ubwe yikoreye ibyaha byacu mu mubiri we ku giti, kugira ngo dupfe ku byaha, tubeho gukiranuka; ibikomere bye ni byo mwakijijwe." Reba aho igice cya mbere cy'umurongo kivuga ngo, "Ubwe yikoreye ibyaha byacu mu mubiri we ku giti." (1 Petero 2:24) Urabona ko ari uko ibyaha byose by'abantu byakusanyirijwe mu kirundo kimwe kinini, kinuka, cyanduye, cy'imyanda cyajugunywe kuri Yesu Kristo igihe yari amanitse kuri uwo musaraba. Mu buryo tudashobora no kwiyitirira ko twabyumva, ibyaha byose by'isi byashyizwe ku musaraba wa Yesu. "Utagiraga icyaha Imana yamugize icyaha." (2 Abakorinto 5:21)

"Ibihembo by'icyaha ni urupfu." (Abaroma 6:23) Ijambo "urupfu" mu kigereki ntirisobanura kurangiza, ahubwo risobanura gutandukana. Niyo mpamvu turikoresha mu buryo butandukanye. Iyo umuntu apfuye mu buryo bw'umubiri ntabwo arangiza cyangwa ngo areke kubaho kuko umwuka we watandukanijwe n'ihema rye ryo mu isi. Ibyo ni byo gusa urupfu, ni ugutandukana gusa. Urupfu ruvugwa mu Baroma 6:23 nk'imponganano y'ibyaha byacu, si urupfu rw'umubiri kandi si urupfu rw'umubiri, gutandukana kwa roho n'umubiri; ni ugutandukana n'Imana. Ibyo biteye ubwoba, ni iby'iteka ryose.

Wibuke umugani w'umwana w'ikirara? Igihe uwo mwana w'ikirara yari mu cyaha gikomeye, yari he? Yari yaratandukanye na se, si byo se? Yari kure mu gihugu cy'amahanga, atuye mu cyaha cye. Ubwo uwo muhungu yagarukaga mu rugo, se yahindikiriye undi mwana aramubwira ati: "Uyu murumuna wawe yari yapfuye, ariko arazutse." Ashaka kuvuga iki ko yari yapfuye? Ntabwo yari yapfuye. Yego, yari yapfuye. Yari yaratandukanye n'urukundo rwa se, kandi uwo mubyeyi agomba kuba rimwe na rimwe yaribazaga niba azigera agaruka mu rugo. Umwana w'Imana twita Yesu yatandukanye na Se atari icyaha cye bwite, kuko nta cyaha yari afite, ahubwo ni uko yikoreye ibyacu byose.

Ibisobanuro byiza cyane n'ishusho nziza y'umusaraba, cyane cyane iri jambo: "Mana yanjye, Mana yanjye, kuki wantaye?" Abalewi 16. Kubera ko Isezerano rya Kera ari umwigisha wo kudufasha gusobanukirwa ibishya, Abalewi 16 bagomba kudufasha gusobanukirwa iri jambo ryo ku musaraba. Hari ibitambo bitatu byatangwaga n'Abisirayeli bigizwe n'ihene ebyiri n'ikimasa. Ubwa mbere, ikimasa cyatangwaga kubera ibyaha bya Aroni kugira ngo abashe gusengera abantu. Hanyuma ihene yatangwaga kubera ibyaha by'abantu. Ihene ya kabiri, inyamaswa ya gatatu, yazanwaga imbere y'abantu. "Aroni amaze guhongerera Ahera cyane, Ihema ry'ibonaniro n'igicaniro, azazana ihene nzima. Azashyira ibiganza bye byombi ku mutwe w'ihene nzima, yemere ububi bwose n'ubugome bw'Abisirayeli - ibyaha byabo byose - abishyire ku mutwe w'ihene. Azahereza ihene

Ihene izikorera ibyaha byayo byose ahantu hatari abantu, maze uwo muntu ayirekure mu butayu." (Abalewi 16:20-22)

None se urabyumva? Hazanwaga ihene, Aroni agafata amaboko ye akayashyira ku mutwe w'iyi hene. Yaravugaga ati: "Ibyaha byacu byose twabishyize ku mutwe w'iyi hene." Irari ryose, ubusambanyi bwose, ibinyoma byose, ubujura bwose, amazimwe yose, urwango rwose n'ibindi byaha byose byashyirwaga ku hene mu buryo bw'ikigereranyo. Iyo hene yayoborwaga n'umuntu kugeza igihe yari kure cyane mu butayu ku buryo itashoboraga kongera kubona aho igarukira. Uwo mugabo yafataga inkweto ze cyangwa inkweto ze maze agatera iyo hene umugeri akavuga ati: "Va hano, genda, burare." Uzi ko dukoresha ijamba ryacu ry'Icyongereza, "scape goat" muri icyo mirongo? Gushyira amakosa yose ku muntu wa gatatu? Ibyo bisa nkaho ari umuco udafite ishingiro. Kuki babikora?" Mu myaka 1500, Abisirayeli bumviye iryo tegeko. Bohereje iyo hene mu butayu isobanura ko icyaha kigiye gucika.

Yesu yamaze amasaha atandatu amaremara amanitse ku musaraba, kandi bigomba kuba byarasaga n'imyaka ibihumbi bitandatu. Kimwe n'ihene yasigaye yonyine mu butayu, na we yasigaye wenyine. Yaratakaga ati "Mana yanjye, Mana yanjye, kuki wantaye?"

3.Induru yo gusimbura. "Ubwe yikoreye ibyaha byacu mu mubiri we ku giti, kugira ngo dupfe ku byaha, tubeho ku gukiranuka; ibikomere bye ni byo mwakijijwe." (1 Petero 2:24). "Ni byo mwakijijwe n'ibikomere bye." "Utagiraga icyaha Imana yamuhinduye icyaha ku bwacu, kugira ngo muri we tube gukiranuka kw'Imana." (2 Abakorinto 5:21) Urabona icyo gusimbura?

Biratangaje. Mu buryo runaka Imana yafashe abantu batagira icyaha, abera, batagira inenge kandi batunganye imugira umwanda nk'imyanda, kandi mu buryo runaka iyo ngeze kuri Kristo nicishije bugufi, numvira kandi mu kwizera, Imana inyimirira ubwiza, ubuziranenge n'ubuntu bwa Yesu Kristo. Icyo ni cyo gitekerezo gikomereye cyane, kidashoboka kandi kidasobanutse umuntu ashobora kwihanganira, gukiranuka kwa Yesu kwimurirwa ku muntu w'umunyabyaha. "Mana yanjye, Mana yanjye, kuki wantaye?" Bishobora gufatwa nk'induru yo gusimbura abandi.

Iyo Yesu ataza kuba ari we wadufashije, iyo ibintu byose biba byaragenze neza mu buryo busanzwe, ni ryo jwi jye nawe twari gutaka ku rupfu rwacu no mu bihe by'urubanza. "Mana yanjye, Mana yanjye, kuki wantaye?" Ariko Yesu yavuze ayo magambo kugira ngo ntagomba kubikora, kugira ngo wowe utabikora.

Ushobora kuba warigeze kumva iyo nkuru mbere cyangwa wenda warabonye umugabo uri kuri *Ikinamico ry'uyu munsu* Hashize imyaka umunani. Ariko birashoboka ko kuri njye ari byo byari ingero nziza z'iki gitekerezo cyo gusimbura. Mu gitondo cya kare nabonye umugabo witwa Francesca Geraszchnevik aganira na we mu gitondo cya kare ku *Ikinamico ry'uyu munsu*. Bamubajije ibibazo kuko yari yararokotse Auschwitz,

ikambi y'itsembabwoko iteye ubwoba yari hagati mu gihe cy'itsembabwoko ryakorewe Abayahudi. Ariko Geraszchnevik yari afite inkuru ishimishije cyane kuko yavugaga iby'igihe cyo mu 1941 ubwo habaga itoroka muri Nyakanga i Auschwitz. Kandi igihe cyose ibyo byabaga, umuyobozi w'iyo nkambi yahoraga akora ibintu nk'ibyo. Kugira ngo abuze abahunga mu gihe kizaza, yakusanyaga imfungwa zose n'imfungwa zose mu gikari, maze bagatoranya amazina 10 mu buryo butunguranye. Kandi abo 10 bashyirwaga mu cyobo gifunguye maze kigatwikirwa. Kandi basigara aho kugeza igihe bicwa n'inzara cyangwa babura amazi. Kandi buri wese yarabarebaga bapfa buri muni. Batangiye kwita amazina icumi, kandi izina rya cumi ryavuzwe ryari izina Francesca Geraszchnevik. Geraszchnevik yaravuze ati: "Napfukamyemaze ntangira kurira cyane. Naramwinginze." Naravuze nti: "Mfite umugore, mfite abana, ndakwinginze, ndakwinginze, ntunkorere ibi." Maze mu buryo butunguranye umugabo witwaga Maximilian Cole araza. Cole ntiyari n'Umuyahudi. Yari muri iyo nkambi y'ihagarikwa nk'umuntu ubabaye. Cole yari yaje muri Gashyantare mu mwaka wa 41, ibi byari muri Nyakanga, kandi yari amaze guhabwa izina ry'irihimbano, "Umumarayika wa Auschwitz," kuko yasangiraga ibiryo bye, kandi yitaga ku barwayi, kandi yagerageje gutera inkunga abakandamijwe. Yaravugishije ati "Commandant, ese navuga ijambo?" Byari bitangaje kuba atarashwe ako kanya. Ariko kubera impamvu tutazigera tumenya, komanda yahindukiriye Cole aramubwira ati "Yego, urashobora." Yaravuze ati "Ese nshobora kumusimbura? Ndi mukuru - ntabwo uzabona akazi kenshi nkanjye." Ubwo, ubwenge bw'Abanazi bwarabyumvise maze burabyemera. Maze Maximilian Cole ajugunywa muri uwo mwobo hamwe n'abandi icyenda. Nyuma y'ibyumweru bitandatu ku ya 14 Kanama, ni we wenyine wari usigaye. Aho kureka ngo yicwe n'inzara, bamuteye inshinge za phenol maze arapfa.

Sinzi niba Geraszchnevik akiriho, ariko yari ameze nk'imyaka umunani ishize. Kandi ubwo bamuganirizaga, igitekerezo cyeyari iki: "Sinabonye umwanya wo kumubwira ijambo na rimwe, ariko narebye mu maso ye ubwo bamujyanaga. Kandi yari azi ukuntu nshimira. Buri tariki ya 14 Kanama, Geraszchnevik asubira i Auschwitz nk'urwibutso. Kandi mu gikari cyehari icyapa cy'icyuma yakoreye n'amaboko ye, kandi buri muni agaragaza ko ashimira umugabo witwaga Maximilian Cole."

Nta byinshi duhuriyeho na Francesca Geraszchnevik. Ntituvugaga ururimi rumwe, ntabwo tuzi abantu bamwe. Nta nubwo tuvugaga ko ari igihugu kimwe. Ariko hari ibintu bike duhuriyeho na we. Hari umuntu wapfuye kugira ngo akize ubuzima bwacu kandi twembi twabayeho ubuzima bwacu bwose dushimira cyane. Ibyo nibyo buri wese uri Umukristo ahuriyeho na Geraszchnevik, nubwo ubwa Geraszchnevik ari ubw'umubiri naho ubwacu bukaba ubw'umwuka.

Basetse Yesu cyane kandi bamutuka cyane. Hari umwe muri bo wari uw'ukuri. Yego, hari umwe wari uw'ukuri. Baravuze bati: "Yakijije abandi, ariko we ntashobora kwikiza." Ibyo byari ukuri. Yego, yashoboraga kwikiza, Matayo 26:53. Amasaha menshi yabwiye Petero ati: "Ntuzi ko nahamagara legiyoni 12 z'abamarayika?" Yashoboraga kwikiza, ariko ntiyashoboraga kwemeza ko ayo magambo yose ari ukuri. Yakijije abandi, ariko ntiyashoboraga kwikiza. Iyo aza gukiza abandi, ntiyashoboraga kwikiza. "Mana yanjye, Mana yanjye, kuki wantaye?" ni ko kwari ugutaka ko gusimbura abandi. Isomo ry'ubuntu butangaje #1254 Steve Flatt 17 Werurwe 1996
