Enfumo Ezikwata Ku Katonda

Ddala Katonda ali atya? Yesu bwe yajja mu nsi eno, yasambajja enfumo eza buli ngeri ezikwata ku ddiini okutwaliza awamu., Emirundi nga 80 egy'enjawulo mu njiri Yesu yagamba nti, "Nkugamba amazima" Era emirundi amakumi abiri egy'enjawulo yagamba nti, "Muwulidde nga kyogerwa, naye kati mbagamba."

Ezimu ku nfumo Yesu ze yasambajja zaali nfumo ezikwata ku Katonda. Okutuusa Yesu lwe yajja, Katonda yali atunuuliddwa ng'omuntu ow'amaanyi, naye ng'omuntu ow'ewala ennyo era nga yeesudde. Yali talina muntu yenna era nga tasanyusa.

Yesu yatuyigiriza engeri esingayo obulungi ey'okulowooza ku Katonda yali nga Kitaffe. Mu butuufu, eyo kumpi yali ngero etamanyiddwa okutuusa Yesu waffe lwe yajja, era yakikozesa emirundi egisukka mu 150 egy'enjawulo. Yagamba nti, "Kitaffe ali mu ggulu."

Waliwo abantu bangi leero abayinza obutasobola kukwatagana na Kitaffe ow'omu Ggulu omwagazi kubanga kitaabwe aleeta ebijjukizo ebitali birungi ebya buli ngeri. Mu butuufu, kiyinza okuleetera omuntu okujjukira omuntu ali ewala era atali wala, oba omuntu atafaayo oba atafaayo, oboolyawo n'omuntu eyabasuala oba eyabatulugunya.

Kale newankubadde nga Yesu yabikkula Katonda nga tewali muntu mulala yenna asobola, oba nga tewali muntu mulala yenna, abantu bangi bakyalina enfumo n'endowooza enkyamu ku ngeri Katonda gy'ali. Katonda ali atya? Ekyo kibuzo kikulu nnyo kubanga engeri gy'olaba Katonda y'egenda okusalawo engeri gy'olabamu. Engeri gy'olaba Katonda y'agenda okubumba engeri obulamu bwo gye butambulamu.

Njagala okubaganya nammwe enfumo ssatu ezimanyiddwa ennyo ku Katonda, olwo nga bwe tusambajja buli emu ku ndowooza ezo enkyamu, tugenda kubabuulira amazima ku nsonga eyo okuva mu Kigambo kya Katonda.

Enfumo #1 Katonda talina magezi.

Olugero olwo lugenda ekintu nga kino. Katonda just alina bingi nnyo bye baagala ku bulamu bwange, sisobola kubituukiriza byonna. He's unreasonable, unrealistic era ayagala nnyo ebintu ebituukiridde. Ayagala mbeere atuukiridde. Ayagala mbeere mulungi nnyo era nga nboola. Tayagala nfune ku ssanyu. Ye musajja wa killjoy. Abantu bangi balina ekifaananyi kya Katonda ng'atudde waggulu mu ggulu ng'alina ekiwujjo kino ku maaso ng'alindirira okuboggola wansi ku muntu alina akaseera akatono. Ekyo kikomye! Ekyo si nfumo mpya. Mu butuufu, ebyokulabirako byonna ebiri mu ssomo lino byasibuka ku ntandikwa yennyini.

Enfumo eno yava mu bigambo ebyasooka okuwandiikibwa okuva eri Sitaani. Ekifo kino ye Lusuku Adeni, olusuku olwo olwa Utopic Katonda lwe yatonda Adamu ne Kaawa, abantu babiri abaasooka. Katonda bwe yabateeka awo ne bafuna emmere yonna gye baagala, ensibuko zonna ez'okusanyuka, nga tewali buzibu, teawaali kutegana wadde okulumwa. Katonda yagamba nti, lwali lusuku lwa Katonda. Yabagamba okulabirira Olusuku Adeni. Era yabagambye nti tebalina kukola kintu kimu kyokka, etteeka limu lyokka. Waliwo omuti wakati oguyitibwa, Omuti ogw'Okumanya Ekirungi n'Ebibi, tebaali ba kulya ku muti ogwo gumu. Ekyo kyokka kye kintu." (Olubereberye 3)

Kati njagala kukoma awo nkubuuze ekibuuzo. Ekyo tekiba kya magezi? Katonda agamba nti, "Kola kyonna ky'oyagala, waliwo ekintu kimu ky'otosobola kukola." Waliwo agamba nti, "Lwaki Katonda yalina ekiziyiza ekyo ekimu?" Katonda yali ayagala okuva omuntu eky'okulonda. Yali ayagala Adam ne Kaawa nange naawe tumwagale kubanga tusalawo okumwagala, so si lwakuba nti tetwalina kyakukola. Katonda yakifuula kyangu

nga bwe kisoboka. Yagamba nti, "Nja kumala kukuwa possibility emu enkyamu, osobola okukola ekirala kyonna, just don't do that one thing."

Omanyi obutonde bw'omuntu kye buli, si bwe kiri? Otugamba nti waliwo ekintu kimu kye tutasobola kukola era tugenda kukola ki? Oteeka ekipande ekigamba nti, "Wet Paint! Tokwatako!" Abasinga obungi mugenda kukola ki? Oteeka omwana mu kisenge ekirimu eby'okuzannyisa kikumi n'ogamba nti, "Osobola okuzannya n'eby'okuzannyisa ebyo byonna, naye tozannya na ttaala eri waggulu awo ku dresser." Naddala bwe kiba mwana mulenzi muto, agenda kukola ki? Agenda kugenda kunona ettaala eyo. Katonda yagamba nti waliwo ekintu kimu kyokka kye saagala mukole.

Naye ate Sitaani n'ajja, "Kaakano omusota gwali gwa magezi okusinga ensolo zonna ez'omu nsiko Mukama Katonda ze yali akoze. N'agamba omukazi nti, 'Ddala Katonda yagamba nti, 'Tolyanga ku muti gwonna mu lusuku?' Omukazi n'agamba omusota nti, 'Tuyinza okulya ebibala ku miti mu lusuku, naye Katonda n'agamba nti, 'Tolyanga ku muti oguli wakati mu lusuku, so togukwatako, oba ojja kufa.'" (Olubereberye 3:1) Njagala okwata shift wano. Sitaani akusizza amazima n'afuna obulimba. Akikyusizza. Agezaako okuleetera Katonda okulabika ng'atalina magezi. Yagamba nti, "Omanyi Katonda yakuteeka mu jjana era akuwadde obwagazi bunu, kati tajja kukuleka kulya na kimu ku byo." Bulimba obusinga obukadde mu nsi yonna, era naye bukyakola obukadde n'obukadde buli wiiki. Abazadde, wali ogambye omwana nti, "Yee, osobola okufuluma n'ovuga ddigi yo, naye musigale ku bbulooka eno? Tokka ku luguudo olwo olujjudde abantu kati." Oba, wali ogambye omwana wo omutiini nti, "Hon, funa akaseera akalungi, naye ddayo ku ssaawa 11:30." Oluusi baddamu nti, .

"Sighhhhh! Tondekangako kukola kintu kyonna. Tondekangako kusanyuka. You just won't let me do anything, any way."

Lindako katono. Ogambye nti tebasobola kwesanyusaamu? Ogambye buli kimu kiri off limits? Nedda, omala kuteeka kintu kimu off limits, naye bagamba nti ekyo si kya magezi. Si kya magezi ggwe okuteeka ekkomo lyonna ku bulamu bwange. Oli killjoy. Tobeera wa bwenkanya. Ekyo kye kimu kye tukola Katonda.

Enfumo eri nti Katonda talina magezi. Ekituufu Katonda takoma ku kuba wa magezi, alina ekisa era afaayo. Buli ky'ayogera, buli ky'atukolera, obukwakkulizo bwonna bw'atussaako buliwo olw'omukwano gwe. Bayibuli egamba nti buli kirabo ekirungi era ekituukiridde kiva eri Katonda. Nze naawe tunyumirwa ebirabo enkumi n'enkumi era nga buli kimu kiva eri Katonda. Naye Katonda bw'akiteekako obukwakkulizo, kiba kya bukuumi bwaffe.

Ka nkubuuze ekibuuzo. Amazzi kirabo kya Katonda? Mazima ddala bwe kiri, si bwe kiri? Tosobola kubeera nga tolina. Omubiri gwo gulinga amazzi 96%. Amazzi gayinza okukozesebwa obubi okukutuusaako obulabe? Sure osobola okubbira mu kyo. Ate omuliro? Omuliro kirabo okuva eri Katonda? Wamma ddala omuliro kirabo okuva eri Katonda. Tetwasobola kubeera nga tetulina, kitubugumya, kifuuwa amafuta mu byuma. Omuliro guyinza okukozesebwa obubi?

Butereevu. Emmere kirabo kya Katonda? Butereevu. Emmere esobola okukozesebwa obubi? Butereevu. Okwegatta kirabo kya Katonda? Butereevu. Okwegatta kuyinza okukozesebwa obubi? Butereevu. Abantu wadde mu mulembe gwaffe beemulugunya ne bagamba nti, "Katonda just unreasonable. Atuwa bino eby'okwegatta n'okwegomba okw'okwegatta n'oluvannyuma n'abiteekako obukwakkulizo. Tewandibaddewo n'ekimu ku ebyo, ekyo nsaana kubeera wa ddembe okukola ekyo. Tolowooza nti Katonda amanyi bingi okusinga ggwe omanyi?

Wali oyimiriddeko n'olowooza nti, watya singa buli omu akozesa akaboozi mu ngeri Katonda gye yali ayagala? Wali oyimiriddeko n'olowooza ku nsonga eyo? Wali oyimiriddeko n'olowooza ku ngeri ensi gye

yandibaddemu? Tewandibaddewo mukenenya, tewandibaddewo kabootongo, kabootongo oba obulwadde bw'ekikaba. Tewandibaddewo kutulugunyizibwa kwa muntu yenna mu by'okwegatta, . naddala abaana abato, tewali kusobezebwako, tewali kutulugunyizibwa, tewali maka agamenyese olw'obutali bwesigwa, tewali balongo abazaalibwa ebweru w'obufumbo era tewali kukaka bufumbo. Ettemu lyandikendedde nnyo. Tewandibaddewo musango gwa bulamu bwonna na kuswala olw'obwenzi. Ekyo wali okirowoozezzaako? Kati ggwe mbuulira, enteekateeka y'ani ensaamusaamu? Enteekateeka y'ani esinga okukola amakulu?

"Olw'okwagala kwa Mukama okungi tetuzikirizibwa, kubanga okusaasira kwe tekulemererwa."

(Okukungubaga 3:22) Katonda agamba nti osobola okwegatta kwonna kw'oyagala, kirabo kyange gy'oli. Naye, Akkaatiriza nti okiterekedde omuntu yekka gw'ofumbiddwa olw'obukuumi bwo obw'omubiri, obw'ebirowoozo, n'obw'omwoyo.

Kati waliwo agamba, naye Katonda aba atalina magezi. Mpuliriza, kiwandiike. Buli Katonda bw'agamba nti, "Nedda," kiba nti anjagala. Sitaani bw'atuwuuba mu kutu, aba agamba nti, "Nedda," olw'okuba tayagala onyumirwe bulamu, obwo bwe bumu ku bulimba obunene obuyinza okugambibwa.

"Wesanyukire Mukama era ajja kukuwa ebyo omutima gwo by'oyagala." (Zabbuli 37:4) Ekyo kiwulikika ng'ekitta? Oba "bateeke essuubi lyabwe mu Katonda, atuwa buli kimu mu bugagga okutunyumirwa." (1 Timoseewo 6:17) Ekyo kiwulikika ng'omuntu atayagala tusanyuke? Ate kiri kitya nti, "Oyo ataasonyiwa Mwana we yennyini, ... naye talituwa atya, awamu naye, n'ekisa byonna?" (Abaruumi 8:32) Oyo Kitaffe atalina magezi? Nedda.Ku buli "Nedda" Katonda gw'agamba, alina yees lukumi. Katonda waffe Kitaffe asaasira era afaayo.

Enfumo #2.Katonda teyeesigika.

Olufumo olwo lugamba nti tosobola kwesiga Katonda, ajja kukulimba, takwatagana era tajja kukugamba mazima. Nate, ekyo kigenda okutuukira ddala mu Lusuku Adeni. Kaawa agamba nti, "Naye Katonda yagamba nti, 'Tolyanga bibala ku muti oguli wakati mu lusuku, so togukwatako, oba ojja kufa.' 'Mazima tojja kufa,' omusota bwe gwagamba omukazi nga bw'ali omugezi. Kaawa, totegedde?"

Awo wennyini, by the way waliwo emitendera ebiri egy'okukemebwa. Sifaayo ku kukemebwa kwa ngeri ki kw'oyolekagana nakwo. Zino kwe kubuusabuusa, n'obulimba. Mu kitundu kyonna ek'obulamu, sitaani agezaako okukubusabuusa Katonda by'agamba nti, "Ddala Katonda yagamba nti tosobola kulya ku muti gwonna? era Sitaani ajja kukozeza obulimba bwe era mu bukulu bulijjo bwe bumu. "Oh, tebujja kulumya kintu kyonna, buli muntu akikola, si kibi okukikola omulundi gumu gwokka. " Asimba obulimba bwe, okubusabuusa, obulimba, n'oluvannyuma n'ajja okuzikirizibwa kwe.

Laba amazima. "Buli kirabo ekirungi era ekituukiridde kiva waggulu, nga kikka okuva eri Kitaffe w'amataala ag'omu ggulu, atakyuka ng'ebisiikirize ebikyukakyuka." (Yakobo 1:17) Kirungi n'okkiriza nti Katonda yeesigika, mu butuufu, takyukakyuka. Ye kintu yekka, eky'enkomerero, ekitakyukakyuka mu bwengula buno. Kati oyinza okuba n'ebintu ebimu, oba n'abantu abamu b'omanyi nti osobola okwesigamako, naye n'abasinga obulungi ku ebyo ku nkomerero bajja kulemererwa. Ekintu kyokka ekikwatagana ddala mu bwengula ye Yakuwa Katonda. Kitaawo ow'omu ggulu kye kintu ekimu ky'osobola okwesiga.

Bwoba wakulira mu maka nga walina Taata atategerekeka nnyo, nti bwe wakomawo awaka, nga tomanyi oba agenda kukugwa mu kifuba oba okukusiba. Tewamanya oba agenda kusirika oba wa ffujjo oba atamidde oba

nga mutebenkevu. Ekituufu eky'ennaku kiri nti bataata abatakwatagana bakuza abaana abatalina bukuumi. Abamu kino mukirwanyisa okumala amakumi g'emyaka era mbawulira. Sisobola kudda mabega ne nkyusa kitaawo. Sisobola kukuggyako butali butebenkevu obwo n'okukwata ku lugalo lwange omulundi gumu, naye waliwo ekijja. Olina okukiteeka mu mutima gwo ennyo era wakati mu nzikiriza yo. Oweereza Kitaffe ow'omu ggulu akwatagana ddala. Tagenda kukwagala olunaku lumu ate oluddako tagenda kukwagala. Tagenda kukukuba ku mugongo ddakiika emu n'akukuba ekigwo ekiddako. Osanga obuzibu obutamulowoozaako bw'otyo olw'okuteebereza kw'olina okuva mu bulamu bwo obw'emabega. Obuzibu buli nti, tetwagala kumala biseera na bantu abatakwatagana. Bw'oba olina omuntu mu bulamu bwo atakwatagana, oyagala kumala kumuvaako. Toyagala kubeera nabo. Bw'olowooza Katonda bw'ali, Tojja kusaba. Bwoba olowooza Katonda bwatyo, toyagala kumusinja. Oyinza okugenda mu kkanisa, naye ojja kutuukayo ng'osikasika n'okusamba. Toyagala kugenda, bw'oba olowooza nti Katonda teyeesigika. Ggwe just toyagala kuba na kakwate konna naye. Katonda waffe si wa moody oba temperamental, bulijjo abeera consistent.

Nakola okunoonyereza okulungi ennyo si bbanga ddene emabega okwazuula nti ensonga nnamba emu abaana gye bajeemera bazadde baabwe lwa kwetamwa. Ekintu nnamba emu ekivaako okunyiiga kwe kumenya ebisuubizo. Taata, wasuubiza nti ojja kukikola. Maama, wasuubiza nti kino ojja kukikola. Ebisuubizo ebyamenyebwa byaviirako okunyiiga n'okunyiiga olw'obujeemu. Amawulire amanene Katonda waffe si taata wa ngeri eyo. Nsobola okukuwa ennyiriri 50 ezikakasa obwesigwa n'obutakyukakyuka bwa Katonda, naye ekisinga okunyumira kimala kuzingibwa mu kigambo ekitaliimu nsa ennyo "Tekisoboka Katonda kulimba." (Abaebbulaniya 6:18) Bukedde bubonero. Katonda bw'aba akyogera, ge mazima.

Ekintu kimu kye njagala okimanye nti Taata ono atakyukakyuka, omusaasizi alina okwagala gy'oli okutagenda kukyuka. Sifaayo gy'ogenda, sifaayo ku by'okola, era sifaayo ku by'okoze. Okwagala Katonda Omuyinza w'ebintu byonna kw'alina gy'oli tekulekulira. "Kiki ekituyawula ku kwagala kwa Kristo, enjala, akabi, obwereere, ekitala, okuyigganyizibwa, okufa? ... "Nedda, mu bintu bino byonna tusinga abawanguzi okuyita mu oyo eyatwagala." (Abaruumi 8:35,37) Jjukira olugero lw'omwana omujaajaamya? Jjukira daddy eyaddukira ku mulenzi nga badda eka? Mu kitundu ki eky'olugero olwo taata mwe yali ayagala omwana? Eky'okuddamu kiri mu kkubo lyonna. Tekyali kikulu mulenzi gye yali. Taata teyalekera awo kwagala mulenzi oyo. Yamwagala buli kiseera okutuukira ddala mu kiseera ekyo.

Enfumo #3Katonda tanfaako.

Obulimba obwo buleeta obutasanyuka obw'amaanyi. Ekirowoozo kiri nti Katonda tanfaako kubanga sirina mugaso. Abantu bali obuwumbi mukaaga ku nsi era Katonda alina bingi nnyo by'alina okweraliikirira, alina okweraliikirira entalo n'enjala n'abaana abafa enjala. Tanfaako. Sitaani ayingira ku bigere by'endowooza eyo n'akugamba nti, "Olowooza oli ani? Olowooza okola ki ng'osaba Katonda n'okusaba kwo okutono?" Folks, eno y'emu ku nfumo ezisinga okusaanyaawo ebweru. Bw'ogula mu kyo, kijja kumala kukutwala ddala okuva ku Katonda. Oyo ye lufumo. Ekituufu kiri nti, Katonda waffe Kitaffe afaayo.

Tunuulira mu Olubereberye 3, Jjukira Adamu ne Kaawa baayonoona. Kaawa yasooka kulya, n'oluvannyuma Adamu n'alya oluvannyuma lw'ekyo, era bwe batyo ne boonoona. Ka nkubuuze ekibuuzo: Katonda yamanya ddi ku kibi? Jjukira ye Katonda amanyi byonna. Katonda yamanya ku kibi ekyo omulundi ogw'okubiri lwe kyabaawo. Ayinza okuba nga yali waggulu mu ggulu, naye yali akimanyi nti kyaliwo. "Awo omusajja ne mukyala we ne bawulira eddobozi lya Mukama Katonda ng'atambula mu lusuku mu bunnyyogovu obw'emisana, ne beekweka Mukama Katonda wakati mu miti gy'olusuku. Naye Mukama Katonda n'ayita omusajja nti, 'Oli ludda wa?'" (Olubereberye 3:8) Folks, I love that, and I want to make sure you see it. Kati okuddamu ekyo, bavaayo ne bagamba nti, "Twali bukunya, ne twekweka." Katonda n'agamba nti, "Otegedde otya nti oli bukunya? Walya ku muti?" Jjukira abantu bano, buli Katonda lw'abuuza ekibuuzo mu Byawandiikibwa, si lwa

kigendererwa kya mawulire, akimanyi dda. Katonda buli lw'abuuzza ekibuuzo mu Byawandiikibwa, aba agezaako okubikkula omuntu gw'abuuzza amazima kye gali basobole okukosebwa.

Katonda yali yakimanya dda nti baayonoona, naye yajja mu lusuku nga bwe yali akola bulijjo. Yatambula mu miti, n'akoowoola omuntu nti, "Oli ludda wa Adam? Oli ludda wa? Nkunoonya." Njagala mumanye ekintu bannange, Katonda waffe ekyo talekera awo. Akyajja ng'atambula mu ffe, era atuyita obutasalako. Okuva ku lunaku olusooka, Katonda atunuulidde okuyamba omuntu, ne bwe yali ng'omuntu agezaako okumwekweka. Bw'oba olowooza nti Katonda takufaako, soma Matayo 10:29-31 "Enkazaluggya bbiri tezitundibwa ku nnusu emu? Naye tewali n'emu ku zo eja kugwa wansi ng'evudde ku Kitaawo by'ayagala, n'enviiri z'omutwe gwo zonna zibaliriddwa, n'olwekyo totya, oli mu muwendo okusinga enkazaluggya ennyingi." Amanyi omuwendo gw'enviiri ku mutwe gwo, nnyinza okugattako, naye amanyi langi entuufu. Kigamba nti, bw'aba amanyi ddi emu ku enkazaluggya ezo lw'egwa, n'okusingawo, era nga nnyimiridde mu Baibuli yange ebigambo, bingi nnyo, ajja kukufaako. Oli wa muwendo okusinga enkazaluggya zonna kubanga wakolebwa mu kifaananyi kya Katonda kyennyini. Omanyi olugero ebweru nti Katonda ali wala, ye maneja w'obutonde bwonna era tafaayo nnyo ku byetaago byo ebya bulijjo, ayinza n'obutamanya linnya lyo. Ajja kumala kugitunula waggulu olunaku lumu ku Judgment. Alina fayiro ennene.

Tuli epitomized endowooza ey'ekika ekyo. Jjukira oluyimba lwa Bette Midler olwafulumu mu kiseera ky'olutalo lwa Gulf, oluyimba olulungi ennyo, "Okuva wala, Katonda akutunuulira, okuva ewala." Luyimba lulungi, naye bulimba, lufumo. Katonda takutunuulira ng'oli wala. Katonda akutunuulidde nnyo era nga akulabira ddala. Amanyi buli kimu ekikukwatako. Era akufaako nnyo okusinga omuntu omulala yenna bwe yali asobola. "Omuntu yenna bw'anjagala, ajja kugondera enjigiriza yange, Kitange ajja kumwagala, naffe tujja kujja gy'ali ne tufuula amaka gaffe naye." (Yokaana 14:23) Obwo bwali bunnabbi obw'okujja kw'Omwoyo Omutukuvu, eyandibadde mu mutima gw'omukkiriza omuwulize. Ekyo si kinene? Yagamba nti, "Tolina kweraliikirira nti ndi kumpi naawe. Ngenda kubeera mu ggwe." Ekyo kiri kumpi nga bw'osobola okufuna. Ngenda kubeera mu ggwe, era ye eri abo bonna mu kugondera enjiri abakkiriza amawulire amalungi aga Yesu.

Ekintu ekimu ekisembayo Katonda bwe yatunuulira omusota, nga ye Sitaani yasunguwala. N'agamba omusota ogwo nti, "Mu z zadde lye wajja kuvaamu omu, naawe ojja kumumenya ekisinziro, naye alibetenta omutwe." (Olubereberye 3:15) Abamanyi Baibuli mukitegedde nti ogwo gwe mulundi ogusoose okujja kwa Yesu Kristo okulagulwa. Mukama waffe yandibadde akutuse ekisinziro naye n'anyiga omutwe gwa sitaani. Olowooza Katonda waffe tasaasira, takwatagana, tafaayo? Yatambulira mu lusuku; Yatuma omwana we era ajja kulabirira ebizibu byo byonna. Naye olina okumukkiriza okukikola.

Mpozzi enfumo ezimu ezikwata ku Katonda zikufuddeyo. Mpozzi olaba Taata mu ngeri gy'ali ddala, afaayo, afaayo, asaasira era akwatagana. Mpozzi nga oguze mu bulimba obumu obumukuumye okutuuka ku ssa lino, mpozzi nga tolina model awaka wa taata ky'alina okuba. Ebyo byonna biri mu biseera eby'emabega. Ekikulu kye ky'ogenda okukola ne Mukama n'Omulozi okuva mu kaseera kano okudda waggulu. Nsuubira nti bw'oba toli Mukristaayo, leero lwe lunaku lw'oyatula Yesu era olw'okusonyiyibwa ebibi byo oziikibwe naye mu kubatizibwa mu kufa kwe, okuziikibwa, n'okuzuukira kwe osobole okuzuukizibwa ng'ekitonde ekipyaa okutambulira mu bulamu obwo obupya. Bw'oba weetaaga okuddayo okudda eri Katonda, olwo nsuubira nti ojja kuba n'obuvumu okukola ekyo n'okuwambatira Kitaffe ono ow'ekitalo. Steve Flatt Ekisa Ekyewuunyisa Essomo #1245
