

ENFUMO Z'ENNAKU

Bya Steve Flatt

Ffenna tusomeseddwa enfumo ezimu nga bwe tukula era ezisinga mu bwesimbu, tezirina bulabe. Naye waliwo enfumo ezimu ez'obulabe ennyo.

Waliwo ebintu ebya buli ngeri byokka bye tuwulidde era bye twayingiza, ensi by'etuyigirizza nti si bituufu: Enfumo ezikwata ku ggwe kennyini, enfumo ezikwata ku Katonda, n'enfumo ezikwata ku bulamu n'ebiseera eby'omu maaso ne ssente n'okwegatta n'omukwano, enfumo ezikwata ku ggulu ne geyena. Ebimu ku ebyo bireeta ebivaamu ebibi ennyo.

Enfumo emu enyweza abalala bangi nnyo eri nti "si kikulu" ky'okkirizaamu kasita oba omwesimbu." Ekyo wali owuliddeko? Mazima ddala, si kikulu kiki ky'okkirizaamu kasita oba nga oli mwesimbu, ekyo kiwulikika nga kikuze nnyo, mu byobufuzi ekituufu Naye ekizibu ekiri mu cliché eno ekkirizibwa ennyo kiri nti, kya busirusiru ddala.

Bw'ogenda mu bulamu, oja kukizuula nti emirundi mingi nnyo wabaawo enzikiriza ezikontana ne ndala; byombi tebisobola kuba bituufu, ekyo tekisoboka kwokka. Wiiki ntono emabega, nze ne mukyala wange twali tutegeze nga tuyita ku ssimu okubeera mu kifo ekimu mu kiseera ekigere. Omanyi engeri gye tufunamu bbize, ekika ky'amaka g'emmotoka bbiri, era nakitegeera bubi. Nakkiriza nti nnali wa kumosisinkana mu kifo ekimu mu kiseera ekigere era ekyo si kye yali akkirizaamu. Kati kirungi okukkiriza kyonna ky'okkirizaamu kasita oba nga oli mwesimbu? Ffembi twali beesimbu, naye tetwasisinkanangako. Kyatumalako ffembi essaawa nga ssatu okuva mu lunaku lwaffe. Olaba osobola okuba omwesimbu, naye oyinza okuba omukyamu mu bwesimbu.

Nali nkola channel surfing ekiro ekirala ne nsanga wakati mu firimu ekwata ku batujju abamu abaali bayingidde ne baddamu okusengeka kompyuta ne radar signals z'ebisaawe by'ennyonyi ebinene. Mu firimu eno ey'obulimba ennyonyi yali eyingira okukka. Omugoba w'ennyonyi yalowooza nti baali ffuuti 300 waggulu w'ettaka so nga mu butuufu bwe bajja nga bayita mu bire, oluguudo lw'ennyonyi lwaliwo ne bagwa ne bookya. Naye olaba omugoba w'ennyonyi yalowooza nti yali ffuuti 300 waggulu...yali mwesimbu. Yali mukyamu mu bwesimbu.

Waliwo enzikiriza ze tusanga nti, bwe tutazitereeza, zijja kutuleetera okugwa n'okwokya. Waliwo emisingi egimu egyangu ennyo egy'okukkiriza. Ebimu ku bino bigenda kulabika nga bya elementary and fundamental, that's because they are. Ebimu ku bino tetubimanyi wadde, naye ka tugende ddala ku kikolo tukizimbako.

Ggwe olonda ky'okkirizaamu.

Kituufu nti waliwo ebintu bingi ebitukwatako ku bulamu bwaffe, naye tewali akukaka kukkiriza kintu kyonna. Bwemba saagala kukkiriza kintu, silina kukkiriza. Bwe mba njagala okukkiriza mu kintu, nsobola. Tewali ayinza kunziyiza. Bwemba njagala okukkiriza nti Baibuli kigambo kya Katonda, ekyo nsobola okukkiriza, era nkikkiriza. Singa aba Republican ne Democrats baba mu mbeera embi, osobola okusalawo okukkiriza aba Democrats, oba oyinza okusalawo okukkiriza aba Republican. Tekikola njawulo yonna; oyinza okusalawo okukkiriza kyonna ky'oyagala.

Tewali akukaka kukkiriza kintu kyonna. Ensonga eri nti toyinza kunenya muntu mulala yenna ku by'okkirizaamu. Bazadde bange, abasomesa bange, ne bannange baakwata ku nzikiriza zange, naye nga tebazifuga. Eno nsonga nkulu nga twekenneenya enzikiriza ze tulina. Oyinza okwesanga ng'okkiriza enzikiriza ebadde nkyamu okumala emyaka, naye osobola okukyusa enzikiriza eyo.

Katonda yagamba mu Engero 8:10 "Londa ebiragiyo byange, mu kifo kya ffeeza." Mu Abaruumi 1:25, Pawulo ayogera ku bantu abamu abatatya Katonda abagwenyufu era n'agamba nti, "Bakyusa amazima ga Katonda mu bulimba." Olaba ebintu ebibiri ennyiriri zino bye zifaanaganya? Ekirowoozo kwe kulonda, okulonda ky'okkirizaamu.

Enzikiriza zo zifuga enneeeyisa yo.

Mu ngeri endala, be basalawo engeri gye nneeeyisaamu. Engero essuula 4 olunyiriri 23 lugamba nti, "Okusinga byonna, kuuma omutima gwo, kubanga gwe nsulo y'obulamu." Njagala nnyo engeri enkyusa y'Amawulire Amalungi gy'evvuunula olugero luno olutongole nti, "Weegendereze ky'olowooza, kubanga obulamu bwo bukolebwa ebirwoozo byo." Ekyo kituufu ddala. Enkyusa ya King James enkadde egamba nti, "Ng'omuntu bw'alowooza mu mutima gwe, bw'atyo bw'alowooza."

Waliwo enzikiriza eri emabega wa buli kikulwa ekimu ky'okola mu bulamu? Bw'otuula mu ntebe, okkiriza mu kumanya oba mu butamanya nti egenda kuwagira obuzito bwo. Kati eri abamu ku ffe ekyo kiyinza okutwala ekikulwa ekinene eky'okukkiriza, naye eyo y'enzikiriza. Bwe wafulumye ku mmotoka yo enkya ya leero, ekisumuluzo kiteeke mu ignition n'okikyusa, okkiriza nti mmotoka egenda kutandika. Buli kikulwa kye tukola kirina enzikiriza emabega waakyo. Obuzibu bujja ng'enzikiriza zange nkyamu; kubanga enzikiriza zange zijja kukyasalawo enneeeyisa yange.

Laba ebimu ku bikozesebwa mu ngeri ey'omugaso. Bwoba okkiriza nti oli muntu wa ornery, olowooza ogenda kweyisa otya? Ornery ennungi. Bw'oba okkiriza nti oli muntu mukodo, ojja kwesanga nga buli kimu weesittala. Bw'oba okkiriza nti tosobola kwesiga muntu mulala yenna, ogenda kuyita mu bulamu ng'otunuulira buli muntu mu ngeri eyeekengera. Ojja kweyisa nga bwe batayinza kwesigibwa. Bw'oba okkiriza nti tosobola kutegeera Bayibuli, tojja kugisoma. Bw'oba okkiriza nti ddala Katonda takufaako, tojja kusaba. Bw'oba okkiriza nti Katonda afulumye okukufuna, ojja kukola kyonna ekisoboka okwewala Katonda. Laba buli kikulwa ky'olina kirina emabega waakyo enzikiriza ekwatagana. Ensonga eri nti, ne bwe kiba nti enzikiriza zo nkyamu, zikwata ku nneeeyisa yo, n'olwekyo enzikiriza zaffe zonna zirina okwekebejjebwa.

Ensi etukuba bbomu n'enzikiriza ez'obulimba.

Ntegeeza atukuba bbomu. Ekifo ekimu w'oyinza okusanga bino ye layini y'okusasula mu dduuka ly'emmere. Laba ku mitwe gy'amawulire egya Enquirer ne Globe. Buli wiiki wabaawo eddagala eppya eriwonya kookolo, bw'oba ogenda kumala kulya kino kookolo ajja kugenda. Njagala okukkiriza ekyo, okuggyako ddala ku mabbali g'ekiwandiiko ekyo waliwo ekimu ekikwata ku mugwira asembyeyo okukyalira Ensi. Mukwano gwange omubuulizi yasalako emu gye nnanyumirwa ennyo. Yagamba nti, "Ekizuliddwa Ekipya – Okusaba okw'okwokya amasavu." Ekitundu kyonna kyagamba nti, "Omala kusaba ssaala zino, era pawundi zijja kusaanuuka."

Kizibu okumanya ky'olina okukkiriza nate, si bwe kiri? Twagambanganga nti, "Nja kukikiriza nga nkilaba." Naye ekyo tokyayinza na kukyesiga. Tekinologiya azze n'ekintu ekiyitibwa, "Virtual Reality." Bagatta ensonga n'ebifumo n'otosobola kumanya njawulo nga firimu za Forrest Gump ne Jurassic Park. Kale, ddala tetusobola kuzuula oba bye tulaba bya ddala oba nedda. Wammanga ze nfumo zange ekkumi ezisinga okukuzibwa ku pulogulaamu zino eza ttivi ez'embooji. Si bya nseko. Naye zino ze zimu ku nfumo z'obuwangwa abantu ze bagulamu awatali kusosola.

- Essanyu lyange lisinga obuvunaanyizibwa bwange.
- Ojja kusanyuka singa ofuna ky'oyagala. Obwo bulimba.
- Ensi ekubanja obulamu n'essanyu.
- Enzikiriza zonna ntuufu kyenkanyi.
- Byonna osobola okubifuna. Nedda, olina okusaddaaka ekintu.
- Tewali nsonga yonna lwaki omuntu alina omusango.
- Tolina kulinda kintu kyonna.
- Omuntu okusinga mulungi era teyeeffaako yekka.
- Ebizibu byo byonna nsobi ya muntu mulala.
- Eky'okuddamu kiri mu ggwe kubanga ffenna tuli Katonda.

Propagated on talk shows is Singa eky'okuddamu kyali munda mu nze, nandibadde nkifumiitiriza edda. Si bwe kiri?

Olaba ebyo bye bika by'ebintu emirundi n'emirundi, bye tuwulira. Emyaka egisukka mu 2,000 emabega bwe yali mu myaka gye 90 omutume Yokaana yalabula nti "Mikwano gyaffe abaagalwa, temukkiriza buli mwoyo, wabula mugezeeko emyoyo mulabe oba giva eri Katonda" ne "Kubanga buli kintu ekiri mu nsi - okwegomba kw'omuntu omwonoonyi, okwegomba kw'amaaso ge n'okwenyumiriza ku by'alina n'ebyo by'akola, tebiva eri Kitaffe wabula mu nsi." Ensi etukuba bbomu n'enzikiriza ez'obulimba.

Waliwo enzikiriza ez'obulimba.

Enzikiriza telina kuba ntuufu okukosa essanyu lyo n'okutebenkera kwo mu nneewulira. Singa omuntu yadduka n'ayingira ng'ayita mu emu ku nzigi mu kiseera kino n'atandika okuleekaana nti, "Omuliro! Omuliro!" naye tewali muliro. Tekyandikoze njawulo nnene eri bangi ku ffe, kubanga kasita owulidde omuntu oyo ng'aggumiza enduulu alamu eyo, wandikikirizza. Olwo ebintu ebiwerako byandibaddewo. Omutima gwo gwandifuuse gwa mangu, puleesa yandirinye, ebinywa byandinywezeddwa, era olubuto lwo lwanditandise okufulumya asidi. Wandifuuse just a nervous wreck, great emotional turmoil, wadde nga si kituufu.

Ekyo kibaawo buli kiseera mu bulamu obwa bulijjo, era tokimanya na. Weeraliikirira ebintu ebitali bituufu. Otya ebintu ebitali bya ddala. Weesigamyee ku bintu okusobola okuwa obulamu bwo amakulu n'ekigendererwa ebitakolebwangako kukola ekyo. Ekivaamu kwe kutabulwa n'ennaku. N'olwekyo enzikiriza ne bw'eba si ntuufu, ekyaaleetera okutabuka mu bulamu bwo mu nneewulira. Bw'oba oyagala okuvvuunuka situleesi, okwesalira omusango, obusungu, okweraliikirira n'ebizibu by'ebirowoozo, olina okunnyonyola n'okutereza obutakkiriza mu bulamu bwo.

Nasanga ekiwandiiko ekyawandiikibwa omukugu mu by'empisa, Dr. Chris Thurman. Yagambye nti, "Amazima ge maapu y'okuteesa ku kusoomoozebwa okuzibu okw'obulamu. Awatali go tubula ne tufuna ebizibu by'ebirowoozo ebitugamba nti tubuze. Tuteri okusanyukira ekitundu ky'amazima oba obutaba na mazima n'akatono kubanga kyangu." Eyo layini nnene, mutuufu. Waliwo ezikoleddwa abakugu mu by'empisa ze sikkiriziganya nazo, naye ndowooza ali right on target. Era yagamba nti, "Naye amazima lye kkubo lyokka erituusa ku bulamu bw'ebirowoozo, tewali kkubo eddala." Ekyo kigambo kinene nnyo, naye Yesu yalina ekisingako awo. Yali ya maanyi nnyo era nga nnyimpimpi era mu bukulu eyogera ekintu kye kimu. "Mulimanya amazima, n'amazima gajja kubafuula ab'eddembe."

Ekigendererwa ky'emisomo gino egy'omuddiring'anwa kwe kwanika obulimba bwe tusomeseddwa era abamu bwe tuguzemu. Era tugenda kubikkula amazima, era amazima gajja kukusumulula okuva mu bintu ebyo ebireeta ennaku mu bulamu bwo.

Ensibuko yokka ey'amazima amatuufu ye Katonda.

Ekyo ssaako akabonero bulungi. Ye nsibuko yokka ey'amazima agatuukiridde. "Nze Mukama njogera amazima; mbuulira ekituufu," okuva mu Isaaya essuula 45 olunyiriri 19. Yesu, eyali Omwana wa Katonda, yali Katonda eyajja mu mubiri. Yokaana n'agamba nti, "'Nze kkubo, nze mazima, era nze bulamu. Tewali ajja eri Kitaffe okuggyako ku nze.'"

Ekibuuzo ekikulu ky'olina okwebuuzi ne buli muntu ky'alina okwebuuzi oba oli Mukristaayo oba nedda kiri nti: Kiki ekigenda okuba obuyinza bw'obulamu bwange? Kiki ekigenda okuba omutindo gwange? Kiki ekigenda okuba kkampasi yange? Kiki ekigenda okubeera omukulembeze wange? Ngenda kwesigama ku ki obulamu bwange?

Ofunye engeri bbiri. Osobola okukyesigamira ku nsi, oba oyinza okukisinziira ku Kigambo. Oba olina omuntu by'ayogera, era omuntu ajja kwogera ebintu obukadde obw'enjawulo ebikontana, oba osobola okuba ne Katonda by'ayogera. Osobola okuzimba obulamu bwo ku ebyo obuwangwa bye byogera, oba ku ebyo Kristo by'ayogera. Ku ebyo ebibiri olowooza kiruwa ekisinga okwesigika?

Obuzibu si nti omusajja atera obutaba mwesimbu era ajja kugabana obulimba obw'amazima; ekizibu ky'omuntu kwe kuba nti tuli tetumanyi nnyo nga ne bwe tulowooza nti twogera mazima, tetumanyi mazima gona. Magazini ya Newsweek erina ekitundu ekiyitibwa Conventional Wisdom. Ekyo okirabye? Lowooza ku ekyo kye kitegeeza.

Amagezi aga bulijjo kitegeeza nti ga magezi leero. Amagezi amatuufu si ga bulijjo; amagezi amatuufu ga lubeerera. Ekimu ku bizibu by'omusajja bulijjo tuyiga ebisingawo. Kale, tulina obuzibu okuzuula ekyo eky'amagezi agataliiko kkomo.

Nalaba ekintu emyaka mitono emabega abamu kye musobola okukwatagana nakyo ddala. Obukadde 73 ku ffe tuli baana ba Baby Boomer abaakuzibwa ku kitabo ekyokubiri mu kutunda mu biseera byonna, nga kyakubiri mu Bayibuli. Omanyi ekitabo ekyo kye ki? Ekitabo kya Dr. Spock ekya Baby. Yakiwandiika nti, "Engeri y'okukuzaamu Abaana Bo." Omulembe gwonna ogw'Abamerika gwakuzibwa ku kitabo ekyo. Ekizibu kyokka kiri nti emyaka mitono gyokka emabega, mu myaka gye nsanvu, Dr. Spock yatuuza olukiiko lwa bannamawulire mu lujjudde n'agamba nti, "Whoops! Nnali nkyamu." Ggwe wali kiki? Bukedde nnyo, ndi dysfunctional. Otegeeza ki nti wali mukyamu? Omulembe gwonna gwakuzibwa ku ndowooza z'omusajja era ajja okukizuula nti ezo tezaali ntuufu mu kusooka. Oyo Magezi ga Bulijjo.

Obulamu bwa wakati obw'ekiwandiiko kya ssaayansi ekikozesebwa ku mutendera gwa ttendekero leero buba bwa myezi kkumi na munaana. Obwo bwe bulamu bw'ekiwandiiko kya ssaayansi. Mu mbeera ey'ekika ekyo, tossa kukkiriza kwo mu kintu ky'otosobola kwesigamako enkya, bwe kitaba ekyo, oyinza okulowooza nti olinnya amadaala g'obuwanguzi n'okizuula nti kyesigamye ku bbugwe omukyamu.

Ngenda kwesigama ku ki obulamu bwange? Yesu yagamba nti, "'Eggulu n'ensi bijja kuggwaawo, naye ebigambo byange tebijja kuggwaawo.'" Dawudi yagamba nti, "Ekigambo kyo, Ayi Mukama, kya lubeerera; kinywevu mu ggulu." Abantu, ekigambo kya Katonda kiyimiridde mu kugezesebwa kw'ebiseera nga tewali kintu kirala kibaddewo oba ekijja. Osobola okukyesiga ng'omutindo gwo ne kkampasi yo n'ekitabo kyo ekikulambika kubanga tekisinziira ku magezi ga bulijjo, kyesigamiziddwa ku mpisa yennyini n'okumanya okusembayo okwa Katonda. Ye nsibuko yokka ey'amazima agatuukiridde.

Zimba obulamu bwo ku mazima ga Katonda!

Kye kisumuluzo. Kati amazima ga Katonda gasangibwa ku buli lupapula lwa Baibuli. Nkukubiriza okusoma buli kitundu kyakyo bw'oba oyagala. Ku nkomerero era kisinga kweyoleka bulungi mu Yesu Kristo. Petero agamba Emu ku nsonga lwaki Yesu yajja, kwe kujja okutuwa ekyokulabirako. Bangi ku ffe tuwulira era bangi ku ffe tusoma, naye abasinga tuyiga bulungi nga ddala tulaba model. Yesu yali Katonda yajja mu mubiri. Yagamba nti, "Nze kkubo, nze mazima, era nze bulamu." Mu buli kye yayogera, mu buli kye yakola, mu buli kye yali, ge mazima.

Nga nteredde oluvannyuma lw'okulongoosebwa okugulu nasalawo okuddamu okusoma enjiri. Nasoma Matayo, Makko, Lukka ne Yokaana, kubanga bwe mba ng'enda okukuyigiriza ku mazima, njagala okumanya omusajja ono eyagamba nti, "Nze mazima." Emirundi kinaana egy'enjawulo mu Byawandiikibwa, Yesu yagamba nti, "Nkugamba amazima." Ekyo si kintu? Emirundi kinaana, agamba n'amaanyi nti, njagala kino mukiwulira. Emirundi 20 egy'enjawulo, yagamba nti, "Kati owulidde nga kyogerwa, naye njagala kuyogera naawe." Omanyi kye yali akola? Yali alongoosa enfumo ezireeta ennaku. Yagambye nti kati bino bye bintu by'oguzemu, naye kati ka nkubuulire amazima.

Nga bw'osoma ebintu Yesu bye yayogera n'ebintu abawandiisi ba Baibuli abalala bye batugabye ebituufu, weewaayo eri ebintu bisatu.

Beera mu mutima gwo okwewaayo okunoonya amazima. "Tolina kakwate na nfumo ezitaliimu Katonda n'enfumo z'abakyala abakadde; wabula weetendeka okubeera omutya Katonda." Oluvannyuma Pawulo yalabula Timoseewo, omubuulizi omuto nti, "Kubanga ekiseera kijja kutuuka abantu lwe batagumiikiriza njigiriza nnungi. Wabula, okutuukana n'okwegomba kwabwe, bajja kukunjaanya abasomesa bangi nnyo okwogera amatu gaabwe agasiwa bye gaagala okuwulira. Bajja kukyusa amatu gaabwe okuva ku mazima ne bakyuka ne badda mu nfumo."

Ensonga eri nti okugezesa buli ky'owulira, ky'olaba, oba ky'oyitamu okusinziira ku mazima ga Katonda. Ensi, oba abantu abanneetoolodde, bayinza okugamba nti "It's hot, it's the in thing, everybody's doing it," Amazima gayinza okulangirira nti si kirungi. Nnyinza okutwala ekiseera ekiwanvu ennyo wano wennyini nga nkuwa ekyokulabirako

kya classic. Ka nkubulire ebijja mu birowoozo byange. Astrology ne psychic hotlines, ebintu ebyo birina okuba nga bikola obukadde bwa ddoola, bingi nnyo ku ttivvi obutabaawo. Nkakasa abantu abasinga ba dabble mu bintu ebyo, abamu ba serious, abamu ba kwesanyusa ate abamu ba joke bokka. Ekigambo kya Katonda kigamba nti si kya nseko. Nsobola okukulaga ebitundu eby'enjawulo daziini ebigamba nti kikyamu, kibi, weewale. Buli kimu nkigezesa n'ekigambo kya Katonda, ne bwe nnayitamu.

Ekimu ku bintu omulembe gwaffe bye gukkirizaamu kwe bumanyirivu obw'obuntu. Gwe mazima agasembayo. Bwemba nkimanyi, nkiwulira, oba nkiwulira, kiteekwa okuba nga bwe kiri. Kati olowooza ku ekyo. Bwe kiba nti tekinologiya asobola okukola ekintu ekiyitibwa virtual reality experience nga kya bulamu nnyo nga sisobola kumanya oba kya bulimba, tolowooza nti sitaani asobola okukola ekintu kye kimu? Mu butuufu, tolowooza nti abadde n'amaanyi ago okumala emyaka, n'emyaka, n'emyaka? Ngezesa n'ebyo bye nnayitamu bye nkakasa nti nfunye nga bikontana n'amazima g'ekigambo kya Katonda, era singa bombi bakontana, nkiriza ki? Nzikiriza amazima g'ekigambo kya Katonda, Period. Olw'okuba okiyiseemu tekitegeza nti kituufu, kituufu oba kituufu.

Abasinga tulabye sitiika ya bampere ewandiikiddwaako nti, "Katonda akigamba, nkikkiriza, kye kitereeza." Si sitiika ya bampere mbi, naye nkufunide esingako obulungi: "Katonda yakigamba, ekyo kikigonjoola, oba nkikkiriza oba nedda." Oba nkikkiriza oba nedda, tekirina njawulo yonna; Katonda yakyogera, bwekityo bwekiri. Amazima mazima oba nkikkiriza oba nedda.

Ensonga eri nti okuginoonya. Naye nkinoonya wa? Kinoonye mu Kristo. Yesu yagamba nti, "Nze najja mu nsi kuno okujulira amazima."

Kinoonye mu kigambo kya Katonda. Baibuli egamba nti, "Ekigambo kyo mazima." era nga tebirina kamogo. Kinoonye ng'oyita mu kkanisa ye. Pawulo yagamba Timoseewo nti, "Ojja kumanya abantu bwe balina okweyisa mu nnyumba ya Katonda ye kkanisa ya Katonda omulamu, empagi n'omusingi gw'amazima."

Weewaayo okukkiriza n'okukkiriza amazima. Si kimala kukinoonya era tekimala kukimanya, kirina okukwatibwa. Ekigambo, "kiriza," kigambo kirala ekyanzijira okutuukira ddala mu biwandiiko by'enjiri. Yokaana 3:18, egamba nti, "'Buli amukkiriza tasalirwa musango, naye oyo atakkiriza ayimirira dda ng'asaliddwa omusango kubanga takkirizza mu linnya ly'Omwana wa Katonda omu yekka.'" Ne sitaani alina okulinnya okw'amagezi okwa Katonda, okukkiriza so si kuwambatira.

Weewaayo okuwangaala mu mazima. Nnoonya, nkikkiriza, nkikwatira ddala, era nkiwangaala. Nze nkigondera. Nze nkikola. Ntandika n'okugondera enjiri nga nteka obwesige bwange mu mawulire amalungi nti Yesu mazima afuuliddwa omuntu, Katonda eyajja mu nsi. Ekitabo kino ekilungama, Ekigambo kye [Baibuli], kitugabana ku ngeri ennyangu ekolebwa. Kitandikira ku kukkiriza nti Yesu mwana wa Katonda, enzikiriza etuleetera okumwatula mu bigambo, nga tulangirira ensi obwesigwa bwaffe gy'ali. (Abaruumi 10:9-10) Kigamba nti bw'omala okufuna okweewaayo kw'omutima gwo n'omukwano gwo gy'ali obuwalize bwo bwonna eri enjiri butuuka ku ntikko n'ekintu ekiyitibwa okubatizibwa, okunnyika mu mazzi mu mubiri. Nga Yesu tannafa okutangirira ku musaalaba, yagamba Nikodemo nti "Omuntu bw'atazaalibwa mazzi ne Mwoyo, tayinza kuyingira mu bwakabaka bwa Katonda." "Ffenna ababatizibwa mu Kristo Yesu twabatizibwa mu kufa kwe? Kale twaziikibwa wamu naye olw'okubatizibwa mu kufa, nga Kristo bwe yazuukizibwa mu bafu olw'ekitiibwa kya Kitaffe, naffe tubeere n'obulamu obugya."

Ekyo kye kituufu ku kwewaayo kwo eri Yesu. Ekyo kye kituufu ku ngeri gy'otandika obulamu bwo ng'Omukristaayo, n'engeri gy'ofuuka Omukristaayo. Okusenziira ku kwewaayo okwo, obeera ng'omwagala era ng'otambulira mu kitangaala ky'amazima ga Katonda. Naye kiri gy'oli. Jjukira nti ofunye eddembe okukkiriza ekintu kyonna ky'oyagala okukkiriza. Naye kyonna ky'okkirizaamu, amazima gakyali mazima.

Naye waliwo okulabula okunene nti, "Bazikirira kubanga baagaana okwagala amazima era bwe batyo ne balokolebwa." Waliwo eyabuza nti, "Okunywa sigala kinansindika mu geyena?" Tetumanyi nga Katonda bw'ali Omulamuzi omusaasizi. Katonda tasindika muntu yenna mu geyena; aleka buli muntu okulonda ky'agenda okukkiriza ne ky'agenda okukola ku nzikiriza ezo. Naye abo abagaana okukkiriza, okwagala, n'okugoberera Kristo bali mu kabi ak'okusalirwa omusango gwe.
