Bya Randolph Dunn

Okujja okw'Okubiri

(Is 65:17-19) "Laba, nditonda eggulu eppya n'ensi empya: eby'edda tebirijjukirwa, so tebirijja kujjukirwa: 18 naye musanyuke era musanyuke emirembe gyonna olw'ebyo bye nditonda, kubanga nditonda Yerusalemi okuba essanyu n'abantu baamu essanyu: 19 ndisanyukira Yerusalemi ne nsanyukira abantu bange, eddoboosi ery'okukaaba n'okukaaba liriba tebakyawulirwa mu kyo."

(Is. 66:22-23) "Ng'eggulu eppya n'ensi empya gye ndikola bwe birigumira mu maaso gange," bw'ayogera Mukama, "n'erinnya lyo n'ezzadde lyo bwe birigumira.

(2 Peet 3:10-13) Naye olunaku lwa Mukama lujja ng'omubbi. Eggulu lijja kubula n'okuwuluguma; ebitonde bijja kuzikirizibwa omuliro, n'ensi n'ebintu byonna ebirimu bijja kubikkulwa. 11 (B) Olw'okuba buli kimu kirizikirizibwa bwe kityo, musaanidde kuba bantu ba ngeri ki? Musaana okubeera n'obulamu obutukuvu era obw'okutya Katonda 12 nga bwe weesunga olunaku lwa Katonda n'olwangu okujja. Olunaku olwo lujja kuleeta okuzikirizibwa kw'eggulu n'omuliro, n'ebintu eby'omu ttaka birisaanuuka mu bbugumu. 13 (B) Naye olw'okutuukiriza ekisuubizo kye, twesunga eggulu eppya n'ensi empya, amaka g'obutuukirivu.

(1 Kol. 15:35-44) Naye omuntu ayinza okwebuuzza nti, "Abafu bazuukizibwa batya, balijja n'omubiri gwa ngeri ki?" 36 Nga kya busirusiru! By'osiga tebidamu bulamu okuggyako nga bifudde. 37 (B) Bw'osiga, tosimba mubiri ogugenda okubaawo, wabula ensigo yokka, oboolyawo ey'enjaano oba ey'ekintu ekirala. 38 Naye Katonda agiwa omubiri nga bwe yasalawo, era buli kika ky'ensigo akiwa omubiri gwayo.

39 Ennyama yonna si y'emu: Abantu balina ekika ky'ennyama ekimu, ensolo zirina endala, ebinyonyi ebirala n'ebynyanja ebirala. 40 (B) Waliwo n'ebintu eby'omu ggulu n'ebyo nsi; naye ekitiibwa ky'ebintu eby'omu ggulu kya kika kimu, n'ekitiibwa ky'ebintu eby'oku nsi kya ngeri ndala. 41 Enjuba erina ekitiibwa eky'engeri emu, omwezi mulala n'emmunyeenye endala; era emmunyeenye eyawukana ku mmunyeenye mu kitiibwa.

42 Bwe kityo bwe kinaaba n'okuzuukira kw'abafu. Omubiri ogusimbibwa guvunda, guzuukizibwa nga teguvunda; 43 kisigibwa mu kitiibwa, kizuukizibwa mu kitiibwa; gusimbibwa mu bunafu, guzuukizibwa mu maanyi; 44 kisigibwa omubiri ogw'obutonde, guzuukizibwa omubiri ogw'omwoyo. Bwe wabaawo omubiri ogw'obutonde, era waliwo n'omubiri ogw'omwoyo.

Ensi enkadde ejja kuzikirizibwa era ensi empya Katonda mw'abeera. Ate era, emibiri gyaffe gijja kukyusibwamu emibiri emipya egy'omwoyo egy'enjawulo mu ngeri ku mibiri gyaffe egy'akaseera kano.

(1 Kol. 15:51-53) Wuliriza, mbabuulira ekyama: Ffenna tetujja kwebaka, naye ffenna tujja kukyusibwa—

52 mu kaseera katono, mu kumyansa kw'eriiso, ku kkondeere erisembayo. Kubanga ekkondeere lijja kuvuga, abafu (Omubiri Katonda gwe yatonda okuva mu bintu by'ensi) bajja kuzuukizibwa nga tebononeka, naffe tujja kukyusibwa. 53 Kubanga ekivunda kirina okwambaza ekitavunda, n'ekifa ekitafa.

(1 Kol. 15:22-26) Kubanga nga bonna bwe bafiira mu Adamu, bwe batyo mu Kristo bonna baliba balamu. 23 Naye buli omu mu ngeri ye: Kristo, ebibala ebiberebereye; awo, bw'ajja, abo ababe. 24 (B) Olwo enkomerero n'etuuka, bw'alikwasa Katonda Kitaffe obwakabaka ng'amaze okusaanyaawo obuyinza bwonna, n'obuyinza bwonna n'obuyinza bwonna. 25 Kubanga atekwa okufuga okutuusa lw'aliteeka abalabe be bonna wansi w'ebigere bye. 26 (B) Omulabe asembayo okuzikirizibwa kwe kufa. (Okuzuukira kwa Kristo kwali kuwangula kufa ku buyinza bwa Sitaani ku muntu)

Okujja kwa Yesu omulundi ogw'okubiri kwe kujja. Tetuyitibwa mu ggulu kubeera ne Yesu. Wabula, Yesu akomawo okubeera n'abantu be.

Ensi enkadde (ensi ey'omubiri) ejja kuzikirizibwa, mazima ddala ekijja okukomya "obufuzi bwonna, obuyinza n'obuyinza."

Era awo Yesu ajja kuwaayo ensi empya eri Katonda, nga bwe tulabye, ajja kubeera mu nsi empya. Era, ddala, ng'abantu ab'endagaano bokka bwe banaabeera mu nsi empya, tewajja kuddamu kufa, era bwe kityo okufa kujja kuba kuzikiridde.

(Baf. 3:20-21) Naye obutuuzze bwaffe buli mu ggulu. Era tulindirira n'essanyu Omulokozi okuva awo, Mukama waffe Yesu Kristo, 21 (B) n'amaanyi agamusobozesa okuleeta buli kimu wansi w'obuyinza bwe, alikyusa emibiri gyaffe egya wansi (egikoleddwa mu nfuufu) gibeere ng'omubiri gwe ogw'ekitiibwa.

Naye waakiri ekitundu ekirala kimu kirabika kiraga ekifaananyi eky'enjawulo.

. 17 (B) Oluvannyuma lw'ekyo, ffe abakyali abalamu era abasigaddewo tulisitulibwa wamu nabo mu bire okusisinkana Mukama mu banga. Era bwetutyo tujja kubeera ne Mukama emirembe gyonna.

Wadde nga tulaba okujja kwa Yesu okumanyiddwa okuva mu ggulu, era tutegeezebwa nti abalokole bajja kusimbulwa mu bire bamusisinkane. Tetulaba Bakristaayo nga batwalibwa mu ggulu oba okudda ku nsi. Mazima ddala, tetusigala mu bire!

Pawulo gy'annyonnyola ku kuddamu okulabika kwa Yesu mu 1 Abasessaloniika 4 nkyusa ya langi ezimasamasa ku by'ayogera mu bitundu ebirala bibiri, 1 Abakkolinso 15:51-54 ne Abafiripi 3:20-21: Ku "kujja" kwa Yesu oba "okulabika," abo abakyali abalamu bajja 'kukyusibwa' oba "bakusiddwa" emibiri gyabwe egy'okufa gisobole okufuuka obutavunda,

obutafa. Kino kyokka Pawulo ky'agenderera okwojera mu Basessaloniika, naye wano yeewola ebifaananyi —okuva mu nsonda za Baibuli n'ebyobufuzi — okutumbula obubaka bwe.

(Yokaana 14:1-4) “Temulemesa mitima gyammwe kweraliikirira, mwesige Katonda, era mwesige: 2 Mu nnyumba ya Kitange mulimu ebisenge bingi, singa si bwe kiri, nnandibagambye, ηηenda eyo okubategekera ekifo, 3 era bwe ηηenda ne mbategekera ekifo, ndikomawo ne mbatwala okubeera nange, nammwe mubeere naawe we ndi ekifo we ηηenda.”

Yesu ajja kuba mu nnyumba ya Kitaawe edda ng'abagoberezi be tebannabaawo. Okusalawo kulina okusangibwa mu Okubikkulirwa 21:2, gye twajuliza emabegako.

2 (B) Ne ndaba Ekibuga Ekitukuvu, Yerusaalemi ekiggya, nga kiva mu ggulu okuva eri Katonda, nga kitegekeddwa ng'omugole eyayambadde bba obulungi. (Okuva Ekibuga Ekitukuvu, Yerusaalemi Ekipya bwe bategekebwa ng'omugole, be Kkanisa Ye).

* Ebifaananyi bya kifaananyi, naye bituweebwa okutuyamba okutegeera n'okusuubira n'okwegomba Enkomerero. Naye Enkomerero esuubizibwa okuba entandikwa empya, etavunda, etavunda.

* Ensi eno empya ejja kuba ya njawulo nnyo ku yaffe. Pawulo akiraga bulungi nti tekijja kuba kye kimu.

* Wajja kubaawo okwawukana kw'abalokole n'ababuze mazima ddala kujja kubaawo, era ababuze baja kuggyibwa mu maaso ga Katonda. 2 Bas. 1:9.

* Okutwaliza awamu ndowooza Wright alina ekituufu. Okutegeera kuno kulabika nga kukakasiddwa bulungi ebitundu bino era nga kukwatagana nnyo ne bannabbi.

* Bwe tutatuuka kubeera mu Yerusaalemi empya ku nsi empya okutuusa ku nkomerero, tubeera wa okutuusa olwo?
