

Enkomerero Y'ebiseera Ku Nsi

Steve Flatt, omuwandiisi w'ebitabo

Ebiseera Bigenda Kuggwa Ddi?

Ffenna twagala okumanya ddi. Kigenda kuba leero? Kigenda kubeera nkya? Kinaaba myaka 100? Emyaka 1000? Yesu akomawo ddi era ebiseera--nga bwe tubimanyi--birikoma ddi?

Waliwo endowooza nnyingi. Osobola okudda emabega mu byafaayo n'olaba we wabadde okugezaako okutaliimu nsa okugezaako okulagula enkomerero y'ebiseera. Ng'ekyokulabirako, bw'otunuulira William Miller, omuntu eyali akwatagana n'okutandikawo eddiini y'Abadiventi ey'Olunaku olw'Omusanvu, yalagula olunaku lw'okujja kwa Kristo okw'Okubiri nga luli wakati wa Maaki 21, 1843 ne Maaki 21, 1844. Yateekateeka enkambi ze zonna olw'okujja okwo okw'Okubiri n'enkomerero y'ebiseera era tewali kyaliwo. Yakitwala nti yabala olunaku mu bukyamu kwe kuddamu okubala. Ku mulundi guno lwali lugenda kuba October 22, 1844, naye ate tewali kyaliwo. Mu butuufu sikyetaaga kukubuulira ebisigadde ebyo, nedda?

Mu kawefube w'okutumbula ekibiina kye, Charles Russell, eyatandikawo Abajulirwa ba Yakuwa, yatumbula endowooza nti Yesu yali agenda kudde mu 1874. Naye ate, okulinda kwali kwa bwereere.

Mu myaka gya 1980 omuwandiisi omu yaleeta ssente nnyingi nnyo olw'okuteebereza olunaku lw'okuwambibwa. Olwo bwe yasubwa olunaku olwo, n'aluteeka wala katono mu maaso. Ebyo byonna bizzate ne bigenda nga bwe kiri Ka nkole ebigambo bibiri ku kuteebereza okwo--ebyakafulumu oba edda. Okulagula okwo kwonna kusibuka mu nnyiriri ntono, ezimu ku zo zisangibwa mu kitundu ekisooka ekya Matayo 24, ekyayogerwa Yesu ku nkomerero y'ebiseera wabula ku kuzikirizibwa kwaYerusaalemi. Ebimu biva mu bitabo ebikwata ku kuzikirizibwa. Ekya biwandiiko ebirabika obulungi ebijjudde ebifaananyi (ebimu mu Ndagaano Enkadde, ebimu mu kitabo ky'Okubikkulirwa). Ebiseera ebisinga, nga ziggyibwa mu nsonga okuva mu nnyiriri ezitagenderera kukwata ku nkomerero y'ebiseera n'akatono.

Mu butuufu, bw'osoma Baibuli n'okwekenneenya kwonna n'akatono, okitegeera nti okulagula kwa busirusiru bulongoofu kubanga "Olunaku lwa Mukama lujja ng'omubbi mu kiro." (2 Peetero 3:10) Wuliriza ebigambo bya Yesu okuva mu kitundu ekisembayo ekya Matayo 24, "Tewali amanyi ku lunaku olwo oba essaawa eyo, wadde bamalayika abali mu ggulu wadde Omwana, wabula Kitaffe yekka."

Ensonga eri nti omuntu yenna bw'ategeeza ensi nti azudde mu bwangu ekiseera ky'okujja kwa Mukama okw'okubiri, amangu ago yeeyoleka nga nnabbi ow'obulimba. Kubanga olunaku lwa Mukama lujja kujja nga "omubbi mu kiro".

Ekitagenda Kubaawo

Tetumanyi ddi. Wabaddewo okusaasaana bwe kuti kwa pulopaganda ezikwata ku bigenda okubaawo ng'enkomerero y'ebiseera etuuse. Ka tugende mu Baibuli tuzuule ekitagenda kubaawo nga Yesu azzeemu okujja.

1. Obutateekawo Bwakabaka

Emu ku ndowooza ezisinga okwettanirwa ku nnaku ez'oluvannyuma kwe kuba nti Yesu ajja kujja n'ateekawo ekika ky'obufuzi bwa utopia obw'emyaka 1,000, mu kiseera ekya wajja kubaawo emirembe n'okukulaakulana okwetoolola ensi yonna. Okusenziira ku ndowooza eno eyitibwa Millennial Theory, yeekaalu y'Abayudaaya eagenda kuddamu okuzimbibwa, okusinja yeekaalu kujja kuzizibwawo, Yesu ajja kufuga ng'ali ku ntebe ya Dawudi okumala emyaka 1,000, era ajja kubuulira enjiri mu nsi yonna ng'asenziira ku ntebe eyo.

Enjigiriza eno erina emirandira gyayo okutuukira ddala ku C. L. Schofield n'abalala abamu, naye mu butuufu, si ya Baibuli. Oh kituufu waliwo obwakabaka era waliwo n'obunnabbi bwa Baibuli obukwata ku Masiya ng'atudde

ku ntebe ya Dawudi, naye Bayibuli eyigiriza obunnabbi buno bwatuukirizibwa dda. Masiya azze era yassaawo dda obwakabaka bwe. Mu butuufu, wano waliwo enzivuunula eyaluŋnamizibwa ey'obunnabbi obwo bwennyini. Kisangibwa mu Bikolwa 2:29-33 Peetero bwe yabuulira okubuulira okwasooka ku Kristo ku lunaku lwa Pentekooti.

"Ab'oluganda, nsobola okubagamba n'obuvumu nti jjajja Dawudi yafa n'aziikibwa era entaana ye eri wano n'okutuusa leero. Naye yali nnabbi era yali akimanyi nti Katonda yali amusuubizza ku kirayiro nti agenda kuteeka omu ku bazzukulu be ku ntebe ye. Bwe yalaba ebyali mu maaso, n'ayogera ku kuzuukira kwa Kristo, nti teyasuulibwa mu ntaana, era n'omubiri gwe tegwalaba." okuvunda. Katonda yazuukiza Yesu ono mu bulamu, era ffenna tuli bajulirwa b'ensonga eno, agulumiziddwa ku mukono gwa Katonda ogwa ddyo, afunye okuva eri Kitaffe Omwoyo Omutukuvu eyasuubizibwa era n'ayiwa by'olaba era bye muwulira kati."

Peetero yagamba nti obunnabbi buno obukwata ku Yesu bwatuukirizibwa bwe yazuukira. Kati atudde ku ntebe ye ey'obwakabaka, era obwakabaka buli wansi w'obuyinza bwe kati. Obunnabbi bwonna obukwata ku bufuzi bw'obwakabaka bwatuukirizibwa mu kuzuukira n'okulinnya kwa Yesu. Nga twogera ku Yesu, Abakkolosaayi 1:13 egamba nti "Kubanga yatununula okuva mu bufuzi bw'ekizikiza n'atuyingiza mu bwakabaka bw'Omwana gw'ayagala". Bwe kityo bwe kiri mu 1 Abakkolinso 15:20-26, "Naye kaakano Kristo azuukidde mu bafu, era afuuse ebibala ebibereberye eby'abo abeabase: Kubanga okufa okuva mu muntu, n'okuzuukira kw'abafu kwe kwava mu muntu: Kubanga nga bonna bwe bafiira mu Adamu, bwe batyo mu Kristo bonna baliba balamu. Naye buli omu mu nsengeka ye: Kristo ye mubereberye, oluvannyuma lw'abo abaliwo Ebya Kristo mu kujja kwe Awo we wava enkomerero, bw'anaawaayo obwakabaka eri Katonda Kitaffe, bw'anaakomya obufuzi bwonna n'obuyinza bwonna n'obuyinza bwonna Kubanga atekwa okufuga okutuusa lw'aliteeka abalabe bonna wansi w'ebigere bye. Kimala kwogera kintu kye kimu; Yesu afuga obwakabaka bwe kati.

2. Tewali Bufuzi bwa Mwaka 1000

"Ekirowoozo ku bufuzi bw'emyaka 1,000 bakiggya wa?" Ekyo kiva mu Okubikkulirwa 20. Singa tutandika okutwala buli kifaananyi n'akabonero n'ennamba okuva mu Okubikkulirwa mu ngeri entuufu, tujja kuba bantu abasinga okutabulwa ku nsi. Nga ewandiikiddwa mu ngeri ya apocalyptically, ennamba 1,000 kabonero. Kkumi (omuwendo gw'obujjuvu) ebikubiddwa, ekitegeeza obujjuvu obulala. Obufuzi obwo obw'emyaka 1,000 bukiikirira ennaku ez'enkomerero ez'omulembe gw'Ekikristaayo, era tuli mu kiseera ekyo. Buba bufuzi bwa myaka 1,000. Kale, totegeera bubi. Katonda taddamu kujja kuteekawo bwakabaka, obwakabaka buli wano.

3. Tewali Kusiimibwa kwa Njawulo ku Bayudaaya

Kino kiva ku ndowooza ya Millennial Theory, ndowooza ya premillennial nti Okujja kwa Yesu okw'okubiri kujja kuba nga tekunnabaawo ng'obufuzi obwo obw'emyaka 1,000 tebunnatuuka. Endowooza eri nti Abayudaaya bajja kulokolebwa mu kiseera ekyo eky'emyaka 1,000 eky'okubuulira enjiri era bajja kuba bikozezebwa bya Kristo okubuulira enjiri y'abantu abalala, abo abakyabula okutuuka ku ssa eryo. Mu kiseera ekyo, kigambibwa nti Abayudaaya bajja kuva mu nsi yonna okutuuka mu nsi yaabwe eyaPalestina Kristo lw'anaabawa ekisa eky'enjawulo. Olwo Kristo ajja kutandika okufuga abantu bonna. Bwe wabaawo ekintu kimu Baibuli ky'eyogera bulungi mu Ndagaano Empya, kwe kuba nti ekiseera ky'eggwanga lyonna oba ekika ky'abantu kyonna okufuna essanyu ery'enjawulo okuva eri Katonda kyayise dda. Si kuzuukizibwa n'akatono, era si kuzuukizibwa.

Peetero bwe yalagira Katonda mu Bikolwa 10 okugenda ewa Koloneeriyo aggulirewo enzigi z'obwakabaka eri ab'amawanga, Peetero yakola nga bwe yamugamba (nga waliwo n'okusendasenda). Naye wuuno enkomerero gye yatuukako mu Bikolwa 10:34-35: Awo Peetero n'atandika okwogera nti, "Kati ntegedde nga bwe kiri nti Katonda tasosola, wabula akkiriza abasajja okuva mu buli ggwanga abamutya era abakola ekituufu."

Bwe wabaawo ekibuuzo kyonna ekikwata ku Katonda okujja okusosola mu ngeri ey'enjawulo ku Bayudaaya, oba omuntu omulala yenna, Pawulo yaddamu nti "Tewali Muyudaaya wadde Omuyonaani, omuddu wadde ddembe, omusajja wadde omukazi, kubanga mwenna muli omu mu Kristo Yesu. Bwe muba nga muli ba Kristo, kale muli zzadde lya Ibulayimu, era musikira ng'ekisuubizo bwe kiri." (Abaggalatiya 3:28-29) Edda ekiseera kiyiseewo

Katonda mw'ajja okusosola mu ngeri ey'enjawulo eri olulyo lw'abantu.

4. Tewali Kuwambibwa

Kumpi buli muntu awulidde "endowooza y'okuwambibwa", nti olunaku lumu, wagenda kubaawo okusengulwa-ekyo ddala kijja kuba kisinga kufaanana kufuumuuka -- kw'Abakristaayo bonna ku nsi. Amangu ago, bagenda kumala kubula. Olwo oluvannyuma lw'okuwambibwa, kigambibwa nti, wajja kujja ekiseera eky'okubonaabona eky'emyaka nga musanvu, oluvannyuma obufuzi obw'emyaka 1,000, olwo n'omanya ebisigadde okusenziira ku bye twaakakubaganyaako ebirowoozo.

"Ekirowoozo ekyo kyava wa?" Endowooza eyo edda ku James Brooks mu kitundu ekisembayo eky'ekyasa eky'ekkumi n'omwenda. Kiva mu bitundu bibiri ebikulu: 1 Abasessaloniika 4:16-18 ne 1 Abakkolinso 15:51-55. Mu bitundu ebyo byombi, Pawulo ayogera ku bafu okuzuukizibwa olwo ekiramu ne kikwatibwa mu bbanga, ne kiweebwa omubiri omupya ogutavunda okubeera nagwo okuyita mu mirembe n'emirembe. Mu bitundu ebyo tewali kiraga nti obulamu ku nsi bugenda kugenda mu maaso nga bulijjo; nti abo bonna abatalokolebwa bagenda kusigala nga bakola ebyabwe. Okwawukana ku ekyo, Abafiripi 2:10-11 lugamba nti, "Buli kugulu kugenda kufukamira, buli lulimi lugenda kwatula." Matayo 25:34-46 etugamba nti Yesu bw'anaddamu okulabika, ekyo kigenda kugobererwa mangu ekifo ekinene eky'omusango, so si kubula okumu okw'okusanyuka okw'abatukuvu. Ekyo tekisangibwa mu Baibuli.

Kiki Ekigenda Okubaawo

Ekigambo kya Katonda kitubuulire mu bitundu ebikwata ku kujja kwa Yesu okw'Okubiri kiki ekigenda okubaawo ku nkomerero y'ebiseera.

1. Mukama ajja kulabika [ekintu ekyewuunyisa].

"Kubanga Mukama yennyini alikka okuva mu ggulu, n'ekiragiro eky'amaanyi, n'eddoboosi lya malayika omukulu n'okukoowoola kw'ekkondeere lya Katonda..." (2 Abasessaloniika 4:16a) Buli muntu abeera ku nsi, buli lunaku olwo lwe lunaabeerawo, ajja kuwulira ekkondeere eryo era okufaayo kwaffe kujja kukwatibwa mangu mu kaseera katono.

2. Abafu balizuukizibwa

"Abafu mu Kristo bajja kusooka kuzuukizibwa." (2 Abasessaloniika 4:16b) Ekyo kikakasibwa mu I Abakkolinso 15:52 "mu kaseera katono, mu kumyansa kw'eriiso, ku kkondeere erisembayo. Kubanga ekkondeere lirivuga, abafu balizuukizibwa nga tebavunda." Yesu bw'anaddamu okujja, entaana zigenda kujjula. ebyo byonna bye tubadde tumanyi.

3. Abalamu bagenda kukyusibwa

"Wuliriza, nkubuulira ekyama: Ffenna tetujja kwebaka (kwe kugamba), naye ffenna tujja kukyusibwa - mu kaseera katono, mu kumyansa kw'eriiso, ku kkondeere erisembayo. Kubanga ekkondeere lijja kuvuga, abafu bajja kuzuukizibwa nga tebavunda, naffe tujja kukyusibwa. Kubanga ebivunda birina okweyambaza ebitavunda, n'ebifa biteekwa okwambala obutafa." (1 Abakkolinso 15:51)

Ebintu bino ebisatu ebisooka byonna bigenda kubaawo mu kiseera kye kimu:

- a) Ekkondeere lijja kuvuga
- b) Eddoboosi lya malayika omukulu
- c) Abafu baliva mu ntaana, n'abalamu mu kiseera ekyo bajja kukwatibwa mu bbanga nabo. N'olwekyo, abantu bonna, okuva ku ntandikwa y'ebiseera, bajja kukwatibwa mu bbanga ne Kristo yennyini. Kigenda kuba kintu, si bwe kiri?

4. Okwawukana Okunene —Okusalira Omusango

"Omwana w'omuntu bw'alijja mu kitiibwa kye, ne bamalayika bonna wamu naye, alituula ku ntebe ye ey'obwakabaka mu kitiibwa eky'omu ggulu. Amawanga gonna galikuŋaanyizibwa mu maaso ge, era aliyawula abantu ku bannaabwe ng'omusumba bw'ayawula endiga ku mbuzi. Aliteeka endiga ku mukono gwe ogwa ddyo n'embuzi ku mukono gwe ogwa kkono." (Matayo 25:31)

5. Obusika eri Abatuukirivu

"Awo Kabaka aligamba abali ku ddyo we nti, 'Mujje mmwe abaweereddwa omukisa Kitange; mutwale obusika bwammwe, obwakabaka obwabategekebwa okuva ensi lwe yatondebwa." (Matayo 25:34)

6. Sentensi Eyanjulwa ku Bajeemu

"Awo aligamba abali ku kkono we nti, 'Muveeko mmwe abakolimirwa, mugende mu muliro ogutaggwaawo ogwategekebwa sitaani ne bamalayika be." (Matayo 25:41)

Yokaana awandiika (ng'alaba okubikkulirwa okwo), "Ne ndaba abafu, abakulu n'abatono, nga bayimiridde mu maaso g'entebe ey'obwakabaka, ebitabo ne biggulwawo. Ekitabo ekirala ne kiggulwawo, nga kye kitabo eky'obulam. Abafu baasalirwa omusango okusenziira ku bye baali bakoze nga bwe byawandiikibwa mu bitabo." (Okubikkulirwa 20:12)

7. Okuzikirizibwa kw'ensi

"Olunaku lwa Mukama lujja ng'omubbi. Eggulu1 liribula n'okuwuluguma; ebintu bijja kuzikirizibwa omuliro, n'ensi ne byonna ebirimu biribikkulwa." (2 Peetero 3:10)

[¹Obugazi bw'eggulu obuwanvu (2) Eggulu ery'omu bbanga oba ery'omu bbanga, nga "ebinyonyi eby'omu ggulu" oba "ebire by'eggulu (3) Eggulu ery'ebali, ekitundu kya "enjuba," "omwezi," ne "emmunyeenye].

Ensi eno tegenda kugenda mu maaso okumala emyaka emirala 1,000 nga Yesu amaze okudda. Yesu tajja kuteekawo bwakabaka. Agenda okutuusa obwakabaka obubwe edda eri Kitaffe oluvannyuma lw'omusango. Ffe abali ekitundu ku bwakabaka obwo tubeera ne Kitaffe emirembe n'emirembe.

Mu bufunzi

Nkitegedde nti omuntu bw'ayogera ku nkomerero y'ebiseera n'okujja kwa Yesu okw'Okubiri, kiba kintu kya ntiisa eri abantu bangi. Tekigendereddwa kuba kya abo abali mu Kristo. Tubadde tugisoma emirundi ebiri oba esatu mu ssomo. Naye mu 2 Abasessaloniika 4:18 "...muzzaamu amaanyi n'ebigambo bino." Oh, bw'oba oli mu Kristo, lugenda kuba lunaku olusinga obukulu olubaddewo. Lujja kuba lunaku olusinga okulabika obulungi, era eddoozi ly'okuleekaana n'ekondeere lye lijja kuba ebintu ebisinga okulabika obulungi amatu go bye gawulidde singa oba Mukristaayo. Ekyo kye kigenda okubaawo ku nkomerero y'ebiseera. Ekibuuzo kiri nti "Oli mwetegefu?"

Essomo # 1015

Ebibuuzo

1. Bayibuli eraga bulungi ddi ebiseera ku nsi lwe binaakoma.
Kituufu ____ Kikyamu ____ .
2. Enkomerero y'ebiseera ku nsi esobola okubalirirwa.
Kituufu ____ Kikyamu ____ .
3. Ku kujja okw'okubiri, Kristo ajja kuteekawo obwakabaka bwe mu bufuzi obw'emyaka 1000 nga bugobererwa okuwambibwa.
Kituufu ____ Kikyamu ____ .
4. Ku kujja okw'okubiri, Kristo ajja kulabika, ekkondeere livuga, abafu bajja kuzuukizibwa era abalamu bajja kukwatibwa mu bbanga.
Kituufu ____ Kikyamu ____ .

5. Oli mwetegefu okudda kwa Kristo n'Omusango gwa Katonda?
Yee ____ Nedda____ .
