

Omusaalaba gwe Makkati

Zaali Lwakutaano ku makya ku ssaawa nga 9:00 we zaatandikidde. Zandibadde ziwedde ku ssaawa 3:00 ez'akawungeezi ako. Kiki ky'oyinza okukola mu ssaawa mukaaga? Mu nsi yaffe ey'omulembe, eya tekinologiya ow'awaggulu, osobola okuweereza e-mail mu nsi yonna era osobola okufuna mmotoka n'otambula mayiro 300 n'okusoba. Osobola okubuuka mu nnyonyi n'ogenda okuva ku nkomerero emu ey'eggwanga n'ogenda ku ndala. Waliwo bingi by'osobola okukola mu ssaawa mukaaga. Naye olunaku olwo lwaliwo emyaka egisukka mu 2,000 emabega.

Abantu baakola ki mu ssaawa ezo omukaaga? Oboolyawo ng'olunaku olulala lwonna, omulimi yasituka n'atandika okulima ennimiro ye kubanga obudde bwali bwa nsenyi era ng'obudde bw'okusimba butuuse. Omukyala w'awaka nakasa yasituka n'atandika okubeera bbize n'emirimu gye egy'awaka egya bulijjo. Omusuubuzi omu yaggulawo edduuka lye, era n'akola emirimu egy'amaanyi egy'olunaku okumala essaawa mukaaga, nga yeetegekera Ssabbiiti ne ku wiikendi y'Okuyitako. Osobola okukola bingi mu ssaawa mukaaga. Naye byonna ebyakolebwa mu Yerusalemi mu ssaawa eyo omukaaga, era olw'ensonga eyo byonna ebyakolebwa mu nsi yonna mu nnaku zonna bwe bigattiddwa, byali bifuuse bifuuse bw'ogeraageranya n'ebyo ebyali bikolebwa ku lusozi oluyitibwa, "Kaluvaryo." Omusajja yali akomererwa, omusajja ow'enjawulo ennyo eyakomererwa ku musaalaba gw'Abaruumi. Ogwo gwali ku gumu ku misaalaba esatu egyazimbibwa ku lunaku olwo, egyali wakati.

Omugenyi eyatuuka e Yerusalemi ku lunaku olwo yandiba nga yalaba emisaalaba, n'anyenya omutwe n'alowooza nti, "Oo, omu ku kuttibwa okwo okw'ennaku naye okwetaagisa okusobola okukuuma emirembe n'okukuuma obwenkanya." Abaserikale b'Abaruumi abaali baweereddwa omulimu ogwo baali bamanyi kitono ku muvubuka ono omubazzi ow'ekyama eyagaana okusabiriza oba okuwowoggana oba okwemulugunya. Tebaalina kirowoozo nti ono mu butuufu eyeegalamira ku musaalaba ogwo ayinza okuba ekintu ekirala kyonna okuggyako Omunazaaleesi yekka.

Oh, naye ebintu ebimu ebyewuunyisa byatandika okubaawo. Ekisooka, waaliwo ekizikiza, ekiddugavu ekiddugavu okusinga okuziba kw'enjuba. Eggulu lyalina ekizikiza eky'entiisa, eky'omu geyena. Kiringa Katonda, Kitaffe, bwe yali akyusizza omugongo ku nsi, mpozzi n'okuyiwa amaziga. Ate era waaliwo musisi Matayo gw'atubuulira. Oluyoogaano olw'ekyama olwali luva mu lubuto lwennyini olw'ensi lwaleetera enjazi kwawukana. Abasibe b'entaana bayimbuddwa okuva mu bunnyogovu bw'okufa. Amawulire gaasaasaana okwetoolola Yerusalemi yonna ku mirambo egyali giziikiddwa ddala nga gitambula mu nguudo; awatali kubuusabuusa abaagalwa baabwe baalaba era ne boogera nabo.

Kateni, olutimbe olwo olunene ennyo mu yeekaalu olwayawula ekifo ekitukuvu ku "Ekitukuvu eky'Ebitukuvu," kyandikutuse. Ekifo omulundi gumu gwokka mu mwaka nga Kabona Omukulu we yandiyigizanga omusaayi okuva mu mwana gw'endiga ogutalina kamogo okumansira ku ntebe y'okusaasira okutangirira, ssaddaaka eri abantu bonna. Kateni eyo yali ya ffuuti 40 obuwanvu era ng'ezitowa ttani eziwerako. Naye mu ssaawa ezo omukaaga, omuntu, ekintu, mu ngeri emu kyayuzza kateni eyo ennene okuva waggulu okutuuka wansi ng'alinga emikono eminene ebiri gye gigikutula. Nga Katonda omukulu ow'obutonde bwonna bw'agamba nti, kabona asinga obukulu ayingidde mu Kifo Ekitukuvu eky'Obutukuvu omulundi ogusembayo, Olunaku lw'Okutangirira olusembayo. Tajja kuddamu kuyingira eyo.

Well, eno teyali Lwakutaano lwa bulijjo. Yerusalemi yawambibwa mu buzibu bw'ekyama kye yali tasobola kutegeera. Abantu baali batandise okwebuuzza nga bwe balaba ebintu ebimu ate nga bwe bawulira ebirala. Kyandiba nga bwe kiri? Kyandiba nga bwe kiri? Nedda! Tekyayinza kuba bwe kityo. Omusajja oyo Omunazaaleesi ayinza okuba ekintu ekirala ekitali musajja yekka, ekintu ekisingako ku mubazzi yekka eyali abeera mu Nazaaleesi, mpozzi n'ekintu ekisingako ku nnabbi. Kumpi osobola okuwulira enkola yonna ey'ebirowoozo ey'ekitundu kyonna. Mu butuufu, baakikuba enduulu okumala ennaku n'ennaku n'ennaku.

Ojjukira Pentekooti? Ojjukira engeri abantu 3,000 gye baabatizibwa ku lunaku lumu? Wali weebuuzizza engeri abantu 3,000 gye baabatizibwa ku lunaku lumu? Teyali maanyi ga kubuulira kumu gokka. Olaba ebyaliwo mu Yerusalemi ku lunaku olwo byonna buli omu bye yayogerako okumala wiiki musanvu. Ebintu ebyo byonna eby'ekyama byali bitegeeza ki? Awo Peetero ku lunaku olwo olwa Pentekooti, ng'alunjamizibwa Omwoyo, n'alusumulula akabonero. Yagamba nti, "Oyo ye yali Omwana wa Katonda ku musaalaba ogwo." Kyova olaba nga kyaliwo.

Wali oyimiriddeko n'olowooza ku ngeri gye kiri ekikulu mu byafaayo by'omuntu? Ebiseera byonna bipimibwa nakyo. Ekitabo kino kyonna, Baibuli, y'embooji yaakyo. Ebyafaayo byonna eby'Endagaano Enkadde bibisongako, ekika ky'ebintu ebigenda okujja. Kati ekika kye muntu, ekifo oba ekintu mu ddiini y'Olwebbulaniya ekiraga oba ekisuubira omuntu, ekifo oba ekintu mu Ndagaano Empya. Mu ngeri endala, kaali kabonero emabega eyo akalaga oba akasuubira ekintu wano. Mu butuufu, Endagaano Enkadde ejjudde ebika ebirungi. Bw'ofuna obudde okuziraba n'okuzitegeera, kikuyamba okugatta awamu obulabirizi bwa Katonda obw'ekitalo era osobola okulaba nti embooji y'emu okutuukira ddala mu byafaayo, ng'osonga ku nkomerero y'emu ennyo.

Ebika ebisinga okulabika obulungi mu ndagaano enkadde bye bino ebiraga omusaalaba. Ojjukira Embaga ey'Okuyitako eyasooka? Nga obuddugavu bw'ekibonyoobonyo ky'okufa kw'abaana ababereberye bwe yeekulukuunya mu Misiri, mazima ddala bwalaga obuddugavu obwaliwo mu ttuntu ku Lwokutaano olwo nga n'Omwana gw'Endiga bwe yattibwa mu buli maka ago ag'Abaebbulaniya ekiro ekyo malayika w'okufa n'ayitawo, n'aleka amaka ago nga tegafunye buzibu. Kyateekawo embeera y'ekiseera Omwana gw'endiga omutuufu, Omwana gw'endiga ogwa Katonda, we yandittiddwa nga akkiriza okufa okuddamu okuyita ku buntu.

Oba ate Ssanduuuko eyo ey'Endagaano, Essanduuko ey'Endagaano ey'ekyama eyatuyanjulwa mu Okuva 25 ku Lusozzi Sinaayi? Ojjukira erinnya ly'ekibikka ku Ssanduuuko y'Endagaano? Kyayitibwanga, "Entebe y'Ekisa." Ku "Ntebe y'Ekisa" eyo omulundi gumu mu mwaka, kabona asinga obukulu yajjanga mu Kifo Ekitukuvu eky'Obutukuvu n'omusaayi oguva mu mwana gw'endiga ogutaliiko kamogo n'amansira amatondo g'omusaayi ku Ntebe y'Okusaasira ekibi ne kiggyibwawo. Naye ku musaalaba we wateekebwawo entebe y'okusaasira entuufu era omusaayi gw'essaddaaka etuukiridde gye gwatamala gamansira, wabula ne gukulukuta ogwandiggyewo ekibi kyonna emirembe gyonna.

Oba ate nga Abayisirayiri babadde bazzeemu okwemulugunya n'okwemulugunya n'okwonoona era Katonda n'abasuula wakati mu misota egy'obutwa ne babaluma ne battibwa. Awo Musa bwe yamala okusaba n'akola omusota ogw'ekikomo, n'aguteeka ku muti n'agusitula. Okuwona kwabwe okuva mu kufa okumu kwali kwa bwereere era nga kwaliwo eri bonna. Naye baalina okubaako kye bakola ku on yaabwe. Baali balina okukitunuulira okusobola okuba abalamu. Naye mu kukola ekyo tebaafuna ddagala kubanga lyali lya bwereere eri bonna. Nga batunuulira omusota ogw'ekikomo tebaakola naye baakola kye bakola okusobola okubeera abalamu. (Okubala 21) Yesu yagamba mu Yokaana 3, okufaanako n'omusota ogwo ogw'ekikomo nti, "Bwe nnasitulwa, nja kusikiriza abantu bonna gye ndi." Nsobola okukuwa endala amakumi abiri, naye Endagaano Enkadde eringa akabonero akanene ennyo akaliko akasaale akagamba nti, "Ekkubo lino erigenda ku musaalaba. Ekkubo lino erigenda ku musaalaba."

Awo Yesu bwe yajja, n'agiwangaala. Yawangaala ku lw'omusaalaba.

Okuva mu nnaku ze ezaasooka, omusaalaba gwasuula ekisiikirize kyagwo mu maaso ge. Okuva ku lunaku lwennyini lwe yajja mu nsi eno e Besirekemu nga tewali kifo mu kiyumba ky'abagenyi. Kyali kigamba mu kiseera ekyo kyennyini nti, "Tewali kifo kya ggwe mu nsi eno. Tojja kufuna kifo w'osula wano. Ojja kugaanibwa n'otuuka n'okukomererwa ku musaalaba."

Enjiri zituwandiikira embooji ez'enjawulo ezitakka wansi wa kkumi ezikwata ku Yesu ng'alagula okufa kwe. Ndwooza ku Matayo 16 bwe yali n'abayigirizwa nga balina akatono aka R & R (okuwummula n'okuwummulamu) e Kayisaliya, Firipi. Yesu yabuuza nti, "Olowooza ndi ani?" Oluvannyuma lw'okuwa okuteebereza, okwogera ku nguudo ku by'abalala bye baali boogera, Peetero yamutunuulira n'agamba nti, "Ggwe Kristo, oli Mwana wa Katonda Omulamu." Yesu yagamba nti, "Olina omukisa Simooni mutabani wa Yona, kubanga omubiri n'omusaayi tebikubikkulidde kino, wabula Kitange ali mu ggulu." Yesu ng'amanyi kati nti abasajja, abaali bagenda okweyongerayo n'ebyo bye yali agenda okufiirira baali batandise okutegeera. Olunyiriri 21 lugamba nti, amangu ago, okuva mu kiseera ekyo, Yesu yatandika okunyonnyola abayigirizwa be, engeri gy'alina okugenda e Yerusalemi n'okubonaabona ebintu bingi mu mikono gy'Abakadde, Bakabona Abakulu, n'abasomesa b'Amateeka; nti atekwa okuttibwa era ku lunaku olwokusatu, azuukibwe.

Yayogera ekintu kye kimu mu Matayo 17, 20, 21. Mu Matayo 26 ku ekyo *Ekyeggulo Ekisembayo*, Yaddamu okubagamba nti, "Nnaatera okuttibwa." Mu ssaawa ezo entono oluvannyuma lw'ekyo mu Lusuku Gesusemane, yafukamira mu maaso ge n'abuza oba waliwo ekkubo eddala, yakimanya nti enkomerero eno ye yazaalibwa. Omusaalaba gwe gwali Yesu yajja wano, era bulijjo yali agumanyi.

Endagaano Empya yonna ekiraga. Pawulo yagamba nti, "Abayudaaya baagala obubonero obw'eby'amagero n'Abayonaani banoonya amagezi, naye ffe tubuulira Kristo eyakomererwa: ekyesittaza eri Abayudaaya n'obusirusiru eri ab'amawanga." (1 Abakkolinso 1:22, 23) "Kubanga saasalawo obutamanya kintu kyonna nga ndi nammwe okuggyako Yesu Kristo n'oyo eyakomererwa." (1 Abakkolinso 2:2) "Sileme kwenyumiriza okuggyako mu musaalaba gwa Mukama waffe Yesu Kristo." (Abaggalatiya 6:14) Ebigambo ebyo ebisatu obiraba? Pawulo yagamba nti, "Kye mmanyi ye Kristo eyakomererwa." Awo n'agamba nti "Kye mbuulira ye Kristo eyakomererwa." (1 Abakkolinso 1:23) "Kye nneenyumirizaamu gwe musaalaba gwa Kristo, Yesu eyakomererwa."

(Abaggalatiya 6:14) "Kubanga nze okubeera omulamu ye Kristo, n'okufa kyandibadde muganyulo" kubanga yakomererwa.
(Abafiripi 1:21)

Otuuka ku emu ku njogera ezo, osima wansi era waliwo amaanyi awo — ensibuko yonna ey'amaanyi mu bulamu bwaffe bwe tunaamala okutwala obudde okugitegeera. Ebigambo bya Yesu ebyasembayo byali nti "Kiwedde." (Yokaana 19:30) Kiki ekiwedde? Entekateeka y'obwakatonda ey'okununula abantu bonna ewedde. Omuntu okutya okufa kuwedde. Amaanyi g'okwesalira omusango gawedde. Obutakakasa bwa nkya buwedde.
