

Taata, Basonyiwe

Omusaalaba gwali gusimbiddwa, omubiri gwali gukutuse, nga guwanikiddwa emiggo mu ngalo ze, era Yesu yakola nnyo buli mukka. Tewaaliwo kinywa kyonna mu mubiri gwe ekyali tekiyaka. Amaaso ge gaamuluma olw'okutabula omusaayi n'entuuyo. Abo bonna be yali abadde

okusomesa okumala emyaka esatu kwali kuweddewo; mikwano mitono gyokka gye gyayimirira awo wansi w'omusaalaba. Oh, naye abajooga n'abavuma, baali awo; baali baleekaana nti "Jjangu wansi, Kabaka w'Abayudaaya. Ha! Omulokozi omu! Yawonya abalala, lwaki tasobola kwetaasa?" Ng'ayita mu maaso agazibu, Yesu yatunuulira wansi ekibinja ekyo ekyali kyemulugunya; n'amaaso ge gasenguke mu ggulu n'ayogera essaala ennyimpi; "Taata, nsaba obasonyiwe, kubanga tebamanyi kye bakola."

Mbuulira, omukwano ogw'ekika ekyo guva wa? Osobola okunnyonyola ensibuko y'ensibuko eyo ey'okusonyiwa? Ekyo kigeraageranye naffe. Tubulwa cool yaffe omuntu bw'atusalako mu kalippagano k'ebidduka oba okutomera akagaali kaffe ak'emmere oba ng'abaana tebeetegese mu budde.

Tunuulira Yesu. "Taata, basonyiwe, kubanga tebamanyi kye bakola."

Ani yandibadde avumirira Yesu singa yalina ekigambo kimu ekitono ekimweraliikiriza ku lulwe? Mpozzi okugamba nti, "Sirina musango, ate eddembe lyange?"

Oba wadde ekigambo ekivumirira nti, "Mazima ddala, oja kwesonyiwa" kyandibadde kituukirawo. Nedda, obulumi bwe bwe bwasinga okubeera obw'amaanyi era bwe yayimirira ku bbali w'okwawukana omulundi gwe ogusoose mu miremba gyonna ne Kitaawe, yali alowooza ku ani? Yali alowooza ku bibi by'abantu abaali bamutadde emisinde egya yinsi mukaaga mu ngalo era nga bamufuuwa amalusu mu maaso.

Mbuulira, omukwano gwa ngeri ki ogwo? Kiva wa? Bufumbo bwa ngeri ki bwe wandifunye singa oba olin omukwano ogw'ekika ekyo ogwali guweddewo ddala olw'obwetaavu n'okwegomba kw'omuntu omulala okukulemba omwo? Twandibadde Bakristaayo ba ngeri ki singa tulina okwagala okw'engeri eyo eri bannaffe? Tunyiiga nnyo olw'ebintu ebitaliimu nsa, naye okwawukana ku ekyo, Yesu, mu kiseera ky'okufa okusinga okuluma, okutali kwa bwenkanya era okutali kwa bwenkanya okuyinza okulowoozebwa yasaba nti, "Taata, basonyiwe, kubanga tebamanyi kye bakola." Essaala eyo ennyimpi, naye ekwata ku mutima, ewandiikiddwa gye tuli mu Lukka 23:34. Kye kisookera ddala ku bigambo musanvu ewandiikiddwa okuva ku mimwa gya Yesu ng'awanise ku musaalaba ogwo.

Ebigambo bino omusanvu bisukka mu bigambo musanvu byokka. Ziringa tabu oba empapula z'omuko ku katabo akanene ennyo, ekigambo kimu oba bibiri byokka, naye emabega waakyo waliwo omuwendo gw'amawulire ogulindiridde okutegeerwa. Enjogera zino ku musaalaba ziringa ekipande ekigamba nti, "Power Cable Buried Here." Singa osobola okusima wansi katono ddala, wandisanze ensibuko eno ey'amaanyi etayinza kulowoozebwa ng'erindirira obulamu bwo. Ebigambo bino okuva ku musaalaba bifunza Yesu ky'ali. Bwe osobola okubitegeera mu bujuvu, oja kutegeera capsulated summary ya buli kye yayogera ne buli kye yakola.

Ekigambo ekisinga obukulu omusaalaba kye kikola kwe **Kusonyiwa**, "Taata, basonyiwe, kubanga tebamanyi kye bakola." Yee, yali asabira abo abaamuteekako emisinde mu ngalo era abaakulemba omusango ogutali mu mateeka, naye yali asabira nnyo abo ebbaluwa y'Olwebbulaniya gye yagamba nti baja kumukomerera obugya.

Nawulira embooji ya bannange babiri abaali ku lyato ebweru mu nnyanja eryato ne likka, kyokka ne basobola okukola ekkubo lyabwe ne bagenda ku life raft ne balengejja okumala essaawa ntono nga tebannasimbulwa abakuumi b'oku lubalama lw'ennyanja. Omu ku bannaffe ababiri abaali ku life raft eyo yali...

okwebaza okw'ekitalo. Yali amaze okufukirira kapiteeni w'eryato ng'amutendereza, era n'akwatagana mu ngalo ne buli mukozi w'eryato. Yagamba nti, "Weebale, webale, webale." Munnafe omulala yali mu ngeri ya kusirika. Yagamba nti, "Kale, omanyi Tom, tokikola kintu kinene bwe kiti." Bwe baatuuka ku lubalama, omusasi w'amawulire yali awo era n'abuza munne oyo eyasooka era ng'akaaba amaziga ag'okwebaza. Munne omulala yali tayagala kubuuzibwa interview. Omusasi yatunuulira munne eyasooka n'agamba nti, "Kiki ekiri ne mukwano gwo?" Era n'agamba nti, "Kale, okukugamba amazima, alowooza nti yandibadde afuluma ku lulwe."

Kinyuma si bwe kiri, bw'olowooza nti osobola okufuluma ku bubwo ate nga ddala totaasibwa? Ndownooza akabonero akasooka ennyo ak'Omukristaayo omutuufu, omukyufu omutuufu eri Kristo, y'oyo amanyi nti yali "mugenzi," oyo ayogera era yeeyisa mu ngeri egamba nti, "Nnali mu kkubo nga nkka, nnali nwanise engalo eyokusatu waggulu, era nga nnaatera okubbira mu kibi kyange. Yesu Kristo yamponya."

Eky'ennaku kiri nti, okwetoolola ensi eno n'ensi yonna waliwo enkumi n'enkumi z'abantu abatudde mu bitebe, nga beekuluntaza era nga beenyumiriza. Tebandikyogedde mu ddoboozi ery'omwanguka, naye wansi mu buziba balowooza nti, "Nkola bulungi nnyo ku lwange. Nvuga eryato eryo bulungi ddala." Batunuulira abantu abalala bonna abatatudde mu bitebe ebyo nga balowooza nti, "Ndi ggaayi mulungi nnyo, sitta muntu yenna, sisobola kukuba muntu yenna, sivuma, sinywa ssigala, sinywa ssigala, sidduka na abo abakikola." They're kind of just proud of engeri gyebavugira obulungi eryato lyabwe ku lwabwe.

Nsobola okubuuza ebibuuzo bibiri eri omuntu yenna ne njiga bingi nnyo ku by'eddiini ye, okuyiga bingi nnyo ku by'alowooza ku Yesu ne ku bintu byonna eby'omwoyo.

1. "Ogenda mu ggulu?" Bajja kugamba nti, "Yee, nedda, oba awalala wakati —sikakasa, nsuubira bwentyo, simanyi," ekintu ekyo eky'ekika. Osobola okuzuula bingi.

2. Eri abo abaddamu nti yee nti, "mugenda kutuuka mutya eyo?"

Kye nsanze ebiseera ebisukka mu 50 ku buli 100 bwe mbuuzizza ekibuuzo ekyo, eky'okuddamu nnamba emu kiri nti: "Kale, mbadde mulungi ng'abantu abasinga obungi be mmanyi." Omanyi kye boogera: "Nze nvuba nnyo eryato eryo." Ekyo kigeraageranye n'Omutume Pawulo eyagamba nti nze mukulu w'aboonoonyi. O omunaku gwe ndi, alimponya mu mubiri guno ogw'okufa."

Ekyo Pawulo yakigamba kubanga yali ategeera okusonyiwa. Kigambibwa ku Pawulo nti yategeera ebintu bibiri byokka: Yali akimanyi nti abuze, era yali akimanyi nti yalokolebwa. Bw'osoma ebbaluwa ze, okutegeera kwe kuyita mu buli layini emu. Ekyo buli Mukristaayo omutuufu ky'amanyi, akimanyi nti baali babuze, baali baggwaamu essuubi era amangu ago omuntu n'abasuula omuguwa gw'obulamu.

Lowooza ku ssaala eno ennyangu Yesu gye yayogera nti, "Kitange, basonyiwe, kubanga bamanyi bye bakola." Okusonyiwa okwo kuzingiramu ki? Kikwata kitya ku nze naawe? Engeri zaayo ze ziruwa?

1. Okusonyiwa Yesu kwe yawaayo n'okusaba ku musaalaba kwe okuwa.

"Kubanga empeera y'ekibi kwe kufa, naye ekirabo kya Katonda bwe bulamu obutaggaawo mu Kristo Yesu Mukama waffe." (Abaruumi 6:23) Wawulira enjawulo eyo? "Ku musaala," ogwo gwe musaala, "kwe kufa," ogwo gwe...

okusasula ekibi "naye ekirabo kya Katonda bwe bulamu obutaggwaawo mu Kristo Yesu Mukama waffe." Ekintu kye tulina okusooka okujjukira ku kusonyiyibwa Yesu kwe yawaayo ku musaalaba era n'okutuusa kati okuva mu kisenge ky'entebe y'obwakabaka mu ggulu kwe kuba nti kintu kye tutafuna. Ekisa kye, okusonyiwa kwe kirabo.

Ka ntegeeze ekyo era nkulage lwaki ekyo kikulu. Lowooza kati era oggyeko obulokozi, omusaalaba oba ebintu bye tutwala ng'ebiy'omwoyo, ebiweereddwa mu vertikal, kirabo ki ekisinga okuba eky'omuwendo eky'oku nsi ky'olina kati? Ekyo kye ki? Abamu ku mmwe muyinza okugamba nti mwana yaakazaalibwa, ekyo kye kirabo ekisinga okuba eky'omuwendo. Abamu ku mmwe mwandigambye nti amaka amalamu, ekyo kye kirabo ekisinga okuba eky'omuwendo. Ng'oggyeeko obulokozi, okwagala mukyala wange kye kirabo ekisinga obunene kye nnina. Naye singa mba ngamba nti, "Omanyi mukwano gwange, onjagala kati okumala emyaka 17 era ekyo nkisiima nnyo. Njagala okukusasula olw'omukwano ogwo. Njagala nnyo okuba n'ensimbi enkalu mu ngalo, naye nnina ddoola nga 1,700. Nsobola okukuwa ddoola nga 100 omwaka olw'omukwano gwonna gw'ompadde okutuuka ku ssa lino. Ka nkuwe ddoola 1,700. Tugenda kugikolera mu mbalirira yaffe mu kiseera kino." Ngenda kukusasula doola endala 25 omwezi okuva wano okuva wano olw'omukwano gw'ompa Kati olowooza yandikoze ki?

Well, okusookera ddala, yandirowoozezza nti nseko. Ntegeeza yandisese, "Okola ki — jangu?" Olwo singa nnyiga ensonga ne mmugamba nti, "Nedda, nedda, kino kye njagala ennyo okukola. Njagala kukusasula ekirabo ekyo." Yandintunuulidde nga ndi absolutely absurd. Folks, ekyo kya busirusiru kubanga ekirabo si kintu ky'osobola okugula. Si kintu ky'osobola okufuna. Bw'oba osobola, si kirabo; kifuuka omusaala, omusaala.

Soma nate Abaruumi 6:23, "Olw'empeera..." omusaala gwegatta ku kibi, kwe kufa, "naye ekirabo kya Katonda bwe bulamu obutaggwaawo mu Yesu Kristo." Nneewuunya obukadde n'obukadde bw'abantu abazzaawo ababiri abo. Balowooza nti okubula kwe balina, okufa okw'omwoyo kwe bagenda okufa, kuwummulamu kubi kwokka oba okukyukakyuka kwokka, okukyukakyuka kwa Katonda omusezi era nti obulokozi bwe bagenda okuba nabwo, bafuna buli lunaku olw'engeri gye bali abalungi. Bakifunye nga kikyusiddwa ddala. Ekintu kye tufuna ye geyena okuyita mu buli kibi kye tukola. Ekirabo kwe kusonyiwa.

Bw'ofuna ekirabo okola ki? Ogamba nti, "Weebale" era n'okola mu kwebaza. Ekirabo gye kikoma okuba ekinene, gy'okoma okuwangaala era gy'okoma okweyisa mu ngeri ey'okwebaza. Nga ogezaako okusasula ekirabo:

omu. Ovuma oyo agaba. Katonda avumibwa singa tugezaako okusasula ekirabo ky'okusonyiwa kubanga tuba tumukendeeza ku mupangisa. Tumukendeeza n'afuuka omuwandiisi w'ebyamaguzi. Tumumalaaya nga tugezaako okuwanyisiganya omukwano, era Katonda taja kukendeera ku ekyo. Ekyo akikola nnyo era bulijjo akikola. Mu butuufu, ekyo kye kyanyiiza ennyo Yesu olw'Abafalisaayo. Baali balowooza nti baali basasula olw'obulokozi bwabwe. Baali bakifuna. Abantu abamu balowooza bwe batyo leero.

Waliwo ensi ey'enjawulo wakati w'okutuuka ku...

okutangirira. Okutuuka ku buwanguzi kintu ky'okola okutuukako. Okutangirira kintu ekikuweebwa. Ekigambo okutangirira kitegeeza okusasula ebbanja omuntu ly'atasobola kwesasula. Yesu yawaayo okutangirira. Katonda, Omwana, akimanyi nti tetusobola kuva mu kavuyo kaffe. Kale, yeewaayo nga ssaddaaka era ku musaalaba ogwo yeegayirira nti: "Kitange, basonyiwe, kubanga tebamanyi kye bakola."

Oh, naye omwoyo gw'omuntu, gwagala kulokolebwa kwokka olw'okutuuka ku buwanguzi. Omanyi lwaki? Kubanga tubeera mu nsi erimu ekibi etakola na kutangirira, ekola olw'okutuuka. Tumanyi eby'okuddamu ku mibala gino egy'edda wadde, "There ain't no such thing as a free what? Lunch?" ne "Weegendereze nnamba emu!" Mazima ddala, ffenna tumanyi ebyo, eyo y'engeri ensi gy'ekola, kale twagala okwetaasa olw'emirimu gyaffe emirungi. Ekibuuzo kye mbuuzza omuntu yenna alina obufirosofo obwo kiri nti olwo kyetaagisa emirimu emirungi emeka okulokolebwa? Quota eri etya? Omutindo guli gutya? Ovuma oyo amuwadde ng'ogezaako okusasula ekirabo.

b. Okola enkolagana ya bizinensi. Bw'ogamba nti, "Wano, ggwe mpa kino, nja kukuwa ekyo." Ekyo kuwaanyisiganya, kuwaanyisiganya, kusuubula, kukola bizinensi. Bw'ogezaako okusasula ekirabo kya Katonda, okendeeza ku nkolagana ya Taata/Omwana okutuuka ku nkolagana ya mukozesa/omukozi, era ekyo kimpi nnyo ku Katonda ky'ayagala.

Ekyo ka nkitegeeze ekyokulabirako. Buli mwezi nsasula omusingo eri omuntu mu Chicago gwe sirabangako. Tandabangako. Kati tulina omukwano? Yee. Afaayo oba nfunye obulwadde bwa appendicitis? Oba singa obufumbo bwange butandika okutabuka? Nedda! Kye bafaako kwe kufuna ebyabwe. Omukwano, naye nga gwa shallow. Kiri ku lupapula lwokka. Singa ntuuka ku ndagaano y'endagaano ne Katonda, "Kati nja kukola kino, ggwe mpa eggulu," olwo mba nkola enkolagana ya bizinensi ne Katonda. Ayagala kubeera Kitange, so si mukama wange. Ayagala okunjagala n'okunnaaba n'okunsonyiwa nga taata atuukiridde. Ekyo ky'ayagala.

c. Bw'ogezaako okusasula ekirabo, kiraga ekikyo

obutategeeragana. Ggwe just toline concept.

Okusonyiwa kuweebwa.

2. Okusonyiwa Yesu kwe yeegayirira era kwe yawaayo kwa maanyi nnyo.

Kiba kya radical, kisukkiridde era kya njawulo. Ekirabo ekyo kya kukyusakyusa nnyo. "Kubanga Katonda yafuula oyo atalina kibi ekibi ku lwaffe, tusobole okufuuka obutuukirivu bwa Katonda mu ye."

(2 Abakkolinso 5:21) Ogwo lwe lunyiriri lwe nsinga okwagala mu Baibuli kubanga olwo lwogera omusaalaba kye gutegeeza. Ani ye mu 2 Abakkolinso

5:21? Omanyi ani. Ye Yesu, nedda? Ka tuddemu okukigamba nga tuteeka Yesu mu lulwe. "Kubanga Katonda yafuula Yesu atalina kibi okufuuka ekibi."

ku lwaffe, tulyoke mu Yesu tufuuke obutuukirivu bwa Katonda."

Ng'ekyokulabirako katugambe nti oyimiridde mu Musango olunaku lumu.

Katonda agamba nti "wakola ebibi bimeka?" Oddamu n'omutwe ogufukamidde nti, "Oh si bangi. Mukama." Agamba nti, "Kale, lowooza nnyo ddala." "Kale, waliwo omulundi ogwo ogumu gwe saayamba mukyala ali emitala w'ekkubo."

Ate ne wabaawo ekiseera ekirala, taata ne maama saamuwa kitiibwa nga bwe nnali nsaanidde. Era nze ..." Yagamba nti "Tutunuulire ebitabo byokka." Ekitabo ky'obulamu bwo kigguddwawo, kijjudde ekibi. Buli kye wakola oba ky'oyogedde kiwandiikibwa awo, ebikolwa byo ebirungi awamu n'ebibi byo.

Mazima ddala toyagala muntu yenna kugitunuulira. Amangu ago Yesu atambula n'ayimirira ku mabbali go nga muyonjo era nga mweru ng'omuzira. Jjukira nti Katonda yafuula oyo atalina kibi okuba ekibi tulyoke mu ye, tufuuke obutuukirivu bwa Katonda. Oyagala okumanya Christian engeri gy'ogenda okutunula mu maaso ga Kitaffe ku lunaku lw'Omulamuzi?

Okujjako nga Yesu akulongoosezza n'Omusaayi gwe era n'akyusizza obulamu bwe mu kifo ky'obwo, bujja kuba bubi era tebuyanirizibwa. Singa Omusaayi gwe gukulongoosezza n'osigala mu ye, Yesu ajja kuyimirira awo ng'akutte ebibi byo byonna. Kye kikyusakyusa eky'amaanyi.

3. Okusonyiwa kutegekebwa.

Tekyali kya butanwa oba mu butanwa; kitundu kya nteekateeka ey'olubeerera. Bwe nnali nkula, nnawulira ekyokulabirako kino nga kikozezebwa nnyo ku musaalaba. Mpozzi nga okiwulidde. Emboozi eno ya munne eyakola omutala ogw'ebyuma ogwasobozesa eggaali y'omukka okusomoka omutala guno, naye ng'akyuka mu biseera ebimu emmeeri zisobole okuyita ku mugga ogwali wansi. Lumu omutala gwakyusibwa, naye amangu ago ekigambo kyajja n'awulira eggaali y'omukka ng'ejja. Era yali agenda kwetaaga okuzza omutala ogwo mu layini omusaabaze asobole okugusomoka n'ataasaanawo. Naye obuzibu bwali ku lunaku olwo yali aleese omwana we omuto ow'emyaka esatu ku mulimu. Omwana yali amuvuddeko n'anoonya Junior era yali wansi mu nkola y'omutala, mu ggiya yennyini, akalenzi akatono kaali kazannyira ku ggiya era kati ng'eddakiika ntono, teyafuna budde kukka n'afuna omulenzi ate ng'akyaggalawo omutala. Yalina okusalawo okutaasa eggaali y'omukka n'ebikumi n'ebikumi by'abasaabaze oba okusuula switch n'anyiga mutabani we. Olw'okulumwa ennyo olw'okusalawo okwo, yasuula switch. Katonda waffe yawa Omwana we ku musalaba olwo bonna abagenda okujja gy'ali basobole okusonyiyibwa n'okulokolebwa.

Kati ekyo kyakulabirako kya maanyi, naye waliwo ekitundu kimu ekikulu ku kyo ekitali kituufu n'akatono. Si kituufu. Laba oba osobola okuzuula obutali butuufu we buli. "Abasajja ba Isiraeri, muwulirize kino, Yesu Omunazaaleesi yali musajja Katonda gwe yakkiriza gye muli olw'ebyamagero, ebyewuunyo n'obubonero, Katonda bye yakola mu mmwe ng'ayita mu ye, nga bwe mumanyi. Omusajja ono yakwasibwa mmwe olw'ekigendererwa kya Katonda kye yateekawo n'okutegeera edda, era mmwe, nga muyambibwako abantu ababi, mwamutta nga mumukomerera ku musaalaba." (Ebikolwa by'Abatume 2:22-23)

Kiki ekikyamu eky'ekyokulabirako kye mpulidde obulamu bwange bwonna? Wano we wali. Omusaalaba, obutafaananako yinginiya eyali atudde waggulu mu kyuma, omusaalaba tegwali gwa kugulu nga yinginiya omu ow'ekkanisa eyalaba ensi ng'ewuuta nga tesobola kugifuga. Omusaalaba gwali kitundu ku pulaani eyasooka. Enteekateeka yali mu mirimu eddakiika amannyo ga Kaawa we gaabbira mu bibala. Yali awo emabegako Yesu lwe yajja ensi eno, yazaalibwa oba yakomererwa. Ekisiikirize ky'omusaalaba kyasemberera buli ddaala lye yakwata.

Wali oyimiriddeko n'olowooza nti Yesu ye yateeka obulamu mu nsigo eyafuuka omuti omusaalaba gwe mwe gwandivudde hewed? Yesu ye yateeka ekyuma mu ttaka emisinde mwe gyandisaanuuse? Yesu ye yafuuwa obulamu mu lubuto olwali lugenda okutuumbwa Yuda mu lubuto lwa nnyina, ani yandivuddeyo n'amulyamu olukwe? (Abakolosaayi 1:15-16)

Kyali kitya okuteekateeka okuttibwa kwo? Simanyi, sirina kirowoozo kyonna, naye tekyali kabenje. Nkimanyi nti yali akimanyi okuva ku ntandikwa nti engeri yokka omugole we gy'ayinza okwambala engoye enjeru n'abeera mu ggulu emirembe gyonna, yali singa ye kennyini yandifiiridde ebibi bye.

Folks, nga mmanyi nti nsinga kutegeera lwaki yali asobola okutunula wansi okuva ku musaalaba ogwo nga bulijjo akimanyi nti agenda kuwanika awo n'agamba nti: "Taata, basonyiwe, kubanga tebamanyi kye bakola." Olaba omukwano ogwawa essaala eyo gwava mu kisenge ky'entebe ey'omu ggulu omukwano mwe gusibuka. Omusaalaba n'okusonyiwa tebyali bya kabenje. Zaali zitegekeddwa.

4. Okusonyiwa kugenda mu maaso.

Nja kukubuulira ekintu ekinyuvu ku ssaala eno eya sentensi emu okuva eri Yesu: "Taata, basonyiwe, kubanga tebamanyi kiki."

bakola." Ekiseera ekitali kituukiridde eky'ekikolwa kikozezebwa, ekiraga ekikolwa ekiddiŷŷanwa mu kiseera ekiyise. Well mu ngeri endala, mu ngeri ey'obugambo, enkyusa eri nti Yesu yasigala agamba nti, "Taata, basonyiwe, kubanga tebamanyi kye bakola." Ekyo okilaba? Nsobola okumulaba ng'akiyomba okutuukira ddala mu ssaawa omukaaga wakati wa buli kimu ku bigambo: "Taata, basonyiwe, kubanga tebamanyi kiki bakola."

Nga kituukirawo kubanga newankubadde nga ssaddaaka ye yali ya mulundi gumu, okusonyiyibwa okuva mu musaalaba ogwo kwa lubeerera. Abebbulaniya 9:26 egamba nti, "Bwe tutambulira Abakristaayo mu musana nga ye bw'ali mu musana, tulina okukolagana ne bannaffe, era omusaayi gwa Yesu gututukuza okuva mu bibi byonna." (1 Yokaana 1:7) Njagala nnyo ekigambo ekyo "bonna", si bwe kiri? Ekigambo ekitono, naye kitegeeza kinene nnyo — kiturongoosa okuva mu kibi kyonna — ekibi kyaffe kyonna nga tetunnajja eri Kristo mu kubatizibwa, ebibi byaffe byonna oluvannyuma singa tutambulira mu kitangaala.

Ennyiriri bbiri oluvannyuma "Bwe twatula ebibi byaffe, mwesigwa era mutuukirivu era atusonyiwa ebibi byaffe n'okututukuza okuva mu butali butuukirivu bwonna." (1 Yokaana 1:9) Awo ennyiriri bbiri Yokaana agamba nti, "Abaana bange abato, mbawandiikira ebintu bino muleme kwonoona. Naye omuntu yenna bw'akola ekibi ... tulina Yesu Kristo, Omutuukirivu, ng'omuwolereza w'ebibi byaffe."

(1 Yokaana 2:1) Njagala olabe ng'Omukristaayo, bwe tuba nga tuli beetegefu okutambulira mu kwagala n'okwagala kwa Yesu, si mu kujeemera by'ayagala, bwe tuba nga tukuza ekibi, nga tugezaako okukikweka mu kabokisi akamu okuva ku Katonda, wabula mu kifo ky'ekyo nga twatula mu lwatu ensobi zaffe n'ensobi zaffe, olwo tusonyiyibwa obutasalako. Tunaaba buli lunaku tusobole okubeera abayonjo n'okusigala nga beeru. Olwo Katonda n'anzikiriza okuyingira.

5. Okusonyiwa kyakulabirako, kyakulabirako ekirina okukoppa. Yesu atuwa amaanyi okusonyiwa abalala abatwetoolodde. "Beera wa kisa era...

musaasira buli omu, nga musonyiwagana, nga Katonda bwe yabasonyiwa mu Kristo." (Abaefeso 4:32) Ekisumuluzo ky'okubeera n'obulamu obw'okusonyiwa abantu abalala kwe kutegeera okusonyiwa kwo kennyini okuva mu musaalaba ogwo. Abantu abasonyiwa bantu abasonyiyibwa. Tewali kujjako.

Acrostic eno wammanga eyinza okukuyamba okujjukira ekirabo kya Katonda eky'Ekisa kye.
