Ngano Pamusoro paMwari

Mwari akaita sei chaizvo? Jesu paakuyapanyika pano, akafumura marudzi ese engano dzechitendero mazviri mukuru., Kanenge ka80 muevhangeri Jesu akati, "Ndinokuudzai chokwadi" Uye kamakumi maviri akasiyana akati, "Makanzwa zvichitaurwa, asi zvino ndinoti kwamuri."

Dzimwe dzengano dzakafumurwa naJesu dzaiva ngano nezvaMwari. Kusvikira Jesu auya, Mwari akanga achionekwa somunhu ane simba, asi ari kure zvikuru uye ari kure. Akanga asina munhu uye asingafadzi.

Jesu akatidzidzisa nzira yakanakisisayokufunga nezvaMwari yaiva saBaba vedu. Kutaura zvazviri, izvozvo zvakangazvisingazivikanwi dimikira kusvikira Jesu wedu auya, uye akarishandisa kanopfuura ka150. Aizoti, "Baba veduvari kudenga."

Kune vanhuvazhinji nhasivangasakwanisakuyanana naBaba Vekudenga vane rudo nekuti baba vavo vanounza marudzi ese endangarirodzakaipa. Kutaura idi, kungaparirandangariro yomumwe munhu ari kure uye asina hanya, kana kuti mumwe munhu asina hanya kana kuti asina hanya, zvichida kunyange mumwe munhu akavasiya kana kuti akavabata zvisina kufanira.

Saka kunyange zvazvo Jesu akazivisa Mwari sokunge kusina mumwe munhu angagona, kana kuti zvisina mumwe munhu, vanhuvakawandavachine ngano uye kusanzwisisa kuti Mwari akaita sei. Mwari akaita sei? Ndiwo mubvunzo wakakosha nekuti sei

unoona Mwarivari kuzotema kuti unozviona sei. Maonero aunoona Mwarivari kuzogadzira mafambiro ehupenyu hwako.

Ndinoda kugoverana nemi ngano nhatu dzinozivikanwa zvikuru pamusoro paMwari, uye apo patinobvisa imwe neimweyehemaidzodzo, tichakuudza chokwadi pamusoro pazvo kubva muShoko raMwari.

Nhema #1 Mwari haane musoro.

Ngano iyoyo inoenda zvakadai. Mwari vane zvakawanda zvavanoda muupenyu hwangu, handingambozvikwanisi zvole. Haana musoro, haatarisiri uye anoda kukwana. Anoda kuti ndive akakwana. Anoda kuti ndive akanaka uye anofinha. Haadi kuti ndifare. Iye anouraya. Vanhuvazhinji vane mufananidzo waMwari akagara kudenga akafinyama kumeso akamirira kuhukura munhu ari kufara zvishoma. Rega izvozvo! Haisi ngano itsva. Chokwadi, mienzanisoyese muchidzidzo ichi yakatanga pakutanga.

Ngano iyi yakabva pamashokoekutanga akanyorwa kubva kuna Satani. Chiitiko iBindu reEdheni, iro Utopic paradhiso yakasikwa naMwari kuna Adamu naEvha, vanhu vaviri vekutanga. Mwari paakavaisa ikoko uye vakava nezvokudya zvole zvavaida, manyuko ose emufaro, pasinazvinetso, pasina kushanda zvakaoma kana kuti kusarwadziwa. Mwari akati, yakanga iri paradhiso. Akavaudza kutivatarisire bindu reEdheni.

Akavaudzawo kuti vaisafanira kuita chinhu chimwe chete, mutemo mumwe chete. Pane muti uri pakati unonzi, Muti Wokuziva zvakana nezvakaipa, vaisafanira kudya muti mumwe chete iwoyo. Ndizvo chete." (Genesi 3)

Zvino ndinoda kumira ipapo ndikubvunzei mubvunzo. Izvozvo hazvina musoro here? Mwarivanoti, "Ita chero chaunoda, pane chinhu chimwe chausingagone kuita". Mumwe munhu anoti, "Sei Mwari vane murambidzo mumwe chete iwoyo?" Mwarivaida kupa munhu sarudzo. Aida kuti Adhamu naEvha uye iwe neni timude nokuti tinosarudza kumuda, kwete nokuti takanga tisina zvokuita. Mwarivakazviita nyore sezvinobvira. Akati, "Ndichangokupa mukana umwechete usiriwo, unogona kuita chimwe chinhu, usangoita chinhu chimwe chete ichocho." Unoziva zvakaita hunhu, handiti? Iwe unotiudza kuti pane chinhu chimwe chete chatisingakwanise kuita uye tichaitei? Unoisa chikwangwanichinoti, "Wet Paint! Usabate!" Vazhinjivenyu muchaitai? Iwe unoisa mwana mukamuri ine zana rematoyi woti, "Unogona kutamba nematoyi ese aya, asi usatambe nemwenje uri kumusoro."

ipapopamupendero." Kunyanya kana ari mukomana mudiki, achaita sei? Achaenda kunotora mwenje iwoyo. Mwari akati pane chinhu chimwe chete chandisingadi kuti uite.

Asi ipapo Satani anouyawo, kuti: "Zvino nyokayakanga ina manomano kupfuura mhuka dzose dzesango

dzakanga dzaitwa najehovha Mwari. Ikati kumukadzi, 'Ko, ndizvo here kuti Mwari akati, 'Regaikudya mitiyose yomunda? Mukadzi akati kunyoka, 'Tingadya hedu micheroyemiti iri mubindu, asi Mwari akati, 'Musadya muti uri pakatipomunda, kana kuubata, kuti murege kufa.'" (Genesi 3:1) Mukadzi akati kunyoka:

Ndinoda kuti ubate shift apa. Satani akachinja chokwadi kuti chive chenhema. Akazvishandura. Anodza kuita kuti Mwari aratidzike seasinganzwisisi. Akati, "Unoziva kuti Mwari akakuisa muparadhiso uye akakupa chido ichi, zvino haazokubvumiri kuti udye chero ipi zvayo." Ndidzo nhema dzekaresa munyika, asi dzichiri

kushanda nemamiriyonivhiki rega rega. Vabereki, makamboti kumwana here, "Hongu, munogona kubuda muchichovha bhasikoro renyu, asi rambai muri pablock iri? Kana kuti, wakamboudza here mwana wako kuti, "Hon, iva nenguvayakanaka, asi dzoka na11:30." Dzimwe nguvavanopindura,

"Sighhhhh! Hapana chaunombondirega ndichiita. Haumbonditendera kuti ndifare. Haundibvumire chero chinhu chipi zvacho."

Mira zvisihoma. Wati havagone kunakidzwa here? Wati zvese zviri off limits? Kwete, iwe unongoisa chinhu

chimwe chete pamiganhu, asi ivo vari kuti izvo hazvina musoro. Hazvina musoro kuti iwe uise chero miganhu pahupenyu hwangu. Uri mhondi. Iwe hausu kuita zvakwanaka. Ndizvo zvimwe chete zvatinaita kuna Mwari.

Ngano ndeyokuti Mwari haanzwisisi. Chokwadi ndechekuti Mwari haana musoro chete, ane tsitsi uye

anonzwisisa. Zvese zvaanotaura, zvese zvaanotiitira, chero zvirambidzo zvaanoisa patirizviripo nekuda

kwerudo rwake. Bhaibheri rinoti chipo chose chakanaka uye chakakwana chinobva kuna Mwari. Iwe neni

tinonakidzwa nezviuru zvezvipo uye chimwe nechimwe chazvo chinobva kuna Mwari. Asi kana Mwarivakaisa ganhuriro pazviri, ndezvekutidzivirira.

Rega ndikubunze mubvunzo. Mvura chipo chinobva kuna Mwari here? Chokwadi ndizvo, handizvo here? Unokona kurarama usina. Muviri wako ndiwo kunge 96% mvura. Mvura inogona kushandiswa zvisina kunaka kukukuvadza here? Chokwadi unogona kunyura mariri. Ko moto? Moto chipo here

kubva kuna Mwari? Eya, chokwadi moto chipo chinobva kuna Mwari. Hatina kukwanisa kurarama tisina, inotidziisa, inotungidza michina. Moto ungashandiswa zvisizvo here?

Zvamazvirokwazvo. Zvokudya chipo chinobva kuna Mwari here? Zvamazvirokwazvo. Zvokudya zvinogona kushandiswa zvisiri izvo here? Zvamazvirokwazvo. Kuita zvepabondechipo chinobva kuna Mwari here? Zvamazvirokwazvo. Bonde rinogona kushandiswa zvisiri izvo

here? Zvamazvirokwazvo. Vanhu kunyange muchizvarwa chedu vanonyunyutavachiti, "Mwari haana musoro chete. Anotipa izvi

zvinokurudzira zvepabonde uye zvisihuwo zvepabonde uye ipapo anoisa miganhu pazviri. Hapafaniri kuva nechero ipi zvayo, ndinofanira kusununguka kuita izvozvo. Haufungi here kuti Mwari anoziva kupfuura iwe unoziva?

Wakambomira kufungidzira, ko kana munhu wese akashandisa bonde nenzira yaida Mwari? Wakambomira here kufunga nezvazvo? Wakambomira uchifunga nezvekuti nyikayaizova sei? Pangadai pasina

AIDS, kwaisazova nenjovhera, gonorrhoea kana kuti pasina hoshayevenereal. Hakuzovi nekushungurudzakwepabonde kwe ani zvake,

kunyanya vana vadiki, hapana kubatwa chibharo, hapanakushungurudzwa, hapana dzimba dzakaputsika kubva mukusavimbika, hapana vana vanozvarwa kuroorana uye pasina kumanikidzwa kuroorana. Mhondi dzaizoderedzwa zvikuru. Paizove pasina mhosva yehupenyu hwese uye nyadzi dzoufeve. Makambofunga nezvazvo here? Zvino iwe unondiudza, chironywa chaani chine musoro?

Ndeupi zano rine musoro?

"Nokuda kworudo rukuru rwajehovha, hatina kuparadzwa, nokuti tsitsi dzake hadziperi."

(Mariri 3:22) Mwarivanoti unogona kuita bonde rose raunoda, chipochangu kwauri. Asi, Anosimbirira kuti uzvichengetere chete munhuwawakaroorana naye kuti uzvidzivirire panyama, mupfungwa, nepamweya.

Zvino mumwe munhu anoti, asi Mwari havanzwisisi. Nditeerere,zvinyore. Chero nguva iyo Mwarivanoti, "Kwete," ndizvo nokuti anondida. Apo Satani anotizevezera munzeve dzedu, ari kuti, "Aiwa," nemhaka bedziyokuti haadi kuti unakidzwe noupenyu, ndihwo humwe hwenhema hurusa dzinogona kutaurwa.

Farikana muna Jehovha, iyeagokupa zvinodikamwa nomoyo wako. (Pisarema 37:4) Iko kunonzwika somufaro unouraya here? Kana kuti "vakaisa tariroyavo kuna Mwari, uyo anotipa zvinhu zvose zvizhinji kuti tifarere." (1

Ti 6:1m7) zvi zvinonzwika somumwe munhu asingadi kuti tifarere here? Ko, "Uyo asina

ungarega seiko Mwanakomanawake amene, . . . ungarega seiko kutipawo zvinhu zvose pamwe chete naye?" (VaRoma 8:32) Ndizvo here?

Baba vasina njere? Kwete. Pa "Kwete" Mwari anoti, ane chiuruyeses. Mwari wedu ndi Baba vane tsitsi uye vane hanya.

Nhema #2. Mwari haana kuvimbika.

Ngano iyoyo inoti hauvimbe naMwari, anokunyepera, haawirirani uye haatauri chokwadi. Zvakare, izvo zvinodzokera kuBindu reEdheni. Evha anoti, "Asi Mwari akati, 'Musadya muchero womuti uri pakatipomunda, uye musaubata, kuti murege kufa. 'Hamungafi zvirokwasvo,' nyokayakati

kumukadzi, 'Nokuti Mwari anoziva kuti pamunoudya, meso enyu achasvinudzwa, mukava saMwari, muchiziva zvakana nezvakaipa.

Ikoko, nenzira ndiyo zvikamu zviviri zvemuedzo. Handinei nemuyedzo waunosangana nawo. Vanokahadzika, uye unyengeri. Munzvimbo ipineipi yehupenyu, dhiyabhorosi anoedza kukuita kuti usava nechokwadi nezvinotaurwa naMwari, "Ichokwadi here kuti Mwari akati hamungadyi muti upi zvawo? Uye Satani achashandisa nhema dzake uye zvakangofanana nguva dzose." "Oo, hazvikuvadzi chinhu, munhu wose ari kuzviita, hazvina kunaka kuzviita kamwe chete." Anodyara nhema dzake, kupokana, hunyengeri hwake, uye zvino ouya kuparadzwa kwake.

Heino chokwadi. "Chipo chose chakanaka uye chakakwana chinobva kumusoro, chichiburuka kubva kuna Baba vokudenga zvienda, asingachinji semimvuri inoshanduka." (Jakobho 1:17) Zviri nani kuti utende kuti Mwari akavimbika, chokwadi ndechokuti, inopindirana. Ndiye ega, chekupedzisira, chinhu chisingachinjimupasi rino. Zvino unogona kuva nezvimwe zvinhu, kana

kunyangwe vamwe vanhu vaunoziva kuti unogona kuvimba navo, asi kunyangwe vakanaka veavo vanozokundikana. The

Jehovha Mwari ndiye chete chinhu chisingachinjichiripo. Baba vako vekudenga ndivo vaunovimba navo.

Kana wakakurira mumusha waive naBaba vasingafungiri, kuti kana wauya kumba, iwe

handina kuziva kuti achakumbundikira here kana kukurembedza. Waisaziva kuti aizonyarara here kana kuita zvechisimba kana kuti akadhakwa kana kudhakwa. Chokwadi chinoshandisa ndechokuti vanababa vasingawirirani vanorera vana vasina kuchengeteka. Vamwe venyuvari kurwisana neizvi kwemakumi emakore gare gare uye ndinokunzwirai. Handikwanisi kudzokera kunochinja babavako. Ini handikwanise kukubvisa pakusachengeteka uku

nekubata kamwe chete kwemunwe wangu, asi pane chimwe chinhu chichadaro. Iwe unofanirwa kuzviisa pakatipepakati pemoyo wako uye pakati pekutenda kwako. Unoshumira Baba vokudengavasingachinji. Haasi kuzokuda iwe rimwe zuva uye kusakuda iwe mune rinotevera. Haasi kuzokubhabhadzira kumusana imwe miniti ndokukurova inotevera. Iwe une nguvayakaomayekusamufunga saizvozvo nekuda

kwefungidziro dzaunadzo kubva kumashure kwako. Dambudziko nderekuti hatidi kupedza nguva nevanhu vasingawirirane. Kana iwe uine mumwe munhu muhupenyu hwako asingawirirane, iwe unongoda kutiza kubva kwavari. Iwe haudi kuva pedyo navo. Kana uchifunga kuti Mwarivakadaro, Haumbofiwakanamata. Kana uchifunga kuti Mwari akadaro, haudi kumunamata. Unogona kuenda kucheche, asi unosvika ikoko

uchizvuzvurudza uye uchikava. Iwe haudi kuenda, kana uchifunga kuti Mwari haana kuvimbika. Iwe hausi kuda kuva nechokuita naye. Mwari wedu haana manyawi kana kushatirwa, anogara achienderana.

Ndakaita chidzidzo chakanaka nguva pfupi yapfuura icho chakawana chikonzero chekutanga chekuti vana vapandukirevabereki vavo imhakayekugumbuka. Chisakiso chikuru chokugumbuka ivimbiso dzakaputswa. Baba makavimbisa kuti muchazviita. Amai makavimbisa kuti muchaita izvi. Zvipikirwazvakaputswa

zvakatungamirirakupfundepfunde uye pfundepfunde kukumukira. Nhau huru Mwari wedu haasi baba vakadaro. Ndinogona kukupa mavhesi makumi mashanu anosimbisa kuvimbika uye kuenderana kwaMwari, asi chandinoda chinongopotirwa mukutaura kwakajeka kwazvo "Hazvibviri kuti Mwari areve nhema." (VaHebheru 6:18) Ingozvitapasi. Kana Mwari akazvita, ichokwadi.

Chinhu chimwe chandinoda kuti muzive ndechekuti Baba ava vasingachinji, vane tsitsi vane rudo kwamuri rwusingazombochinji. Handina basa nekwaunoenda, handina basa nezvaunoita, uye handina basa nezvawakaita. Rudo urwo Mwari Wemasimbaose anarwo kwauri harumboregi. "Chii chingatiparadzanisa norudo rwaKristu, nzara, njodzi, kushama, bakatwa, kutambudzwa, rufu?" ... "Kwete, pazvinhu izvi zvose tiri vakundi nokupfuurisa naiye akatida." (VaRoma 8:35, 37) Rangarira mufananidzo womwanakomana anopambadza? Uri kurangarira baba vakamhanyira mukomanavachidzokera kumba? Muchikamu chipi chomufananidzo iwoyo baba vaidira mwanakomana? Mhinduro ndiyo nzirayose kuburikidza nayo. Hameno kuti mukomana aivepi. Baba vacho havana kumbomira kuda mukomanawacho. Aimuda nguva dzose munzirayose mazviri.

Ngano #3 Mwari haana hanya neni.

Nhema idzodzo dzinokonzera kusafara kukuru. Pfungwa iri pakuti Mwari havana basa neni nekuti handikoshi. Pane vanhu mabhiri yoni matanhatu pamusoro penyika uye Mwari ane zvakananda zvekunetseka nazvo, anofanira kunetseka nezvehondo nenzara uye nevana vari kufa nenzara. Haana basa neni. Satani anouya achifunga izvozvo obva ati kwauri, "Unofunga kuti ndiwe ani? Unofunga kuti uri kuitei uchinamata kuna Mwari nechikumbe chako chidiki?" Hama, iyi ndeimweyengano dzinoparadza kunze uko. Kana ukatenga mazviri, zvinongokutungamirira kure naMwari zvachose. Ndidzo ngano. Chokwadi chiripo ndechekuti Mwari wedu ndiBaba vane hanya.

Tarisa zvakananda kuna Genesi 3, Rangarira kuti Adamu naEvhavakatadza. Evha akatanga kudya, uye Adhamu akazodyapashurepaizvozvo, uye nokudaro vakatadza. Rega ndikubvunze mubvunzo: Mwarivakaziva riini nezvechivi? Rangarira kuti ndiye Mwari anoziva zvose. Mwarivakaziva nezvechivi pachakaitikakechipiri.

Angangodaro aiva kudenga, asi aiziva kuti zvakananda. "Ipapo murume nomukadzi wake vakanzwa inzwi rajehovha Mwari paakanga achifamba mubindu kwotonhorera madekwana, vakavanda pamberipajehovha Mwari pakatipemiti yomumunda. Asijehovha Mwari akadana munhu kuti: 'Uripiko?'" (Genesi 3:8) Vanhu, ndinoda izvozvo, uye ndinoda kuva nechokwadi chokuti munozviona. Zvino kuti vapindure izvozvo, vanobudavachiti, "Takanga tisina kusimira, uye takavanda. Mwari akati, "Waziva sei kuti hauna kusimira? Wadya here zvemuti?" Rangariravanhu ava, pese Mwari pavanobvunza mubvunzo muMagwaro, hazvisi zvechinangwacheruzivo, anotoziva. Pese Mwari paanobvunza mubvunzo muRugwaro, anenge achiedza kuzivisa munhu waari kubvunza kuti chokwadi ndechipi kuti vabatwe nacho.

Mwari aitoziva kutivakanga vatadza, asi akauya kubindu sezvaagira achiita. Akafamba nemumiti, akadana munhu, "Uripo Adhamu? Uripo? Ndiri kukutsvaka." I

kuda kuti uzive chimwe chinhu vanhu, Mwari wedu haana kumbomira kuita izvozvo. Achiri kuuya achifamba pakatipedu, uye anoramba achidana kwatiri.

Kubva pazuva rekutanga, Mwari ari kutsvaga kubatsira munhu, kunyangwe vanhu pavaiedza kuvanda

kubva kwaari. Kana uchifunga kuti Mwari haana hanya newe, verenga Mateu 10:29-31 “Ko shiri duku mbiri hadzitengeswi nesendi here?+ Asi hapana imwe yadzo ingawira pasi pasina kuda kwaBaba venyu, uye kunyange nevhudzi remusoro wenyu rakaverengwa rose. Anoziva kuwanda kwebvudzi remusoro wako, ndingawedzera, anozivawo ruvara rwechokwadi. Inoti, kana akaziva panowa imwe yeshiriduku, zvikuru sei, uye ndakanyora mubhaibheri mashoko aya, zvikuru, achava nehanya newe here. Munokosha kupfuura shiri duku dzose nokuti makaitwa nomufananidzo waMwari chaiwo. Unoziva nhema dziripo ndedzekuti Mwari arikure, ndiye manejawepasirese uye haana basa nezvauri kuda zuva nezuva, anogona kunge asiri kutomboziva zita rako. Achangozvitarisa rimwe zuva paKutongwa. Ane faira hombe.

Takatora mafungiro akadaro. Rangarirwiyo rwaBette Midler rwakabuda munguva yeGulf War, rwiyo rwakanaka, "Kubva kure, Mwari ari kukuona, ari kure." Irwo rwiyorwakanaka, asi manyepo, ingano. Mwari havasi kukuona uri kure. Mwarivari kukuona padhuzenepamunhu. Anoziva zvose pamusoro pako. Uye ane hanya newe kupfuura chero ani zvake.

"Kana munhu achindida, uchachengeta kudzidzisa kwangu, naBaba vanguvachamuda, uyetichauyakwaari, tikaita ugaro hwedu naye." (Johane 14:23) Uhwu hwaiva uporofitahwokuuya kwomudzimu mutsvene, uyo waizogara mumwoyo womutendi anoteerera. Hazvina kunaka here?Akati, "Haufaniri kunetseka kuti ndiri pedyo newe. Ndinenge ndava mauri." Pava pedyo nekusvika kwaunokwanisa. Ini ndichava mamuri, uye iye ndewavose avo mukuteereravhangerivanogamuchiravhangeri rajesu.

Chinhu chimwe chekupedzisira Mwari paakatarisanyoka, aiva Satani akashatirwa. Akati kunyokaiyoyo, "Kuvana vake kuchabuda mumwe, uye iwe uchamupwanya chitsitsinho, asi iyeachamupwanya musoro. (Genesi 3:15) Avo venyu vanoziva Bhaibherivanoziva kuti ndiko kekutangakuuya kwaJesu Kristu

kwakaporofitwa. Ishewedu aizopwanywa chitsitsinho asi aizopwanywa musoro waSatani. Munofunga kuti Mwari wedu haana tsitsi,haachinji, haana hanya here? Akafamba mubindu; Akatuma mwanakomanawake uye achagadzirisa matambudziko ako ese. Asi unofanira kumutendera kuti adaro.

Pamwe dzimwe ngano pamusoro paMwari dzakadzimwa nokuda kwako. Zvimwe unoona Baba sezvavari chaizvo, vane hanya, vane hanya, vane tsitsi uye vanochinja-chinja. Pamwe wakatenga manyepo

akakutadzisa kusvika panguva ino, pamwe waive usina muenzaniso kumba wezvinoda baba. Zvose zviri kare.

Chinokosha ndicho chauchaita naIshe neMuponesi kubva panguva ino zvichienda mberi. Ndinovimba kana usiri muKristu, nhasi richava zuva raunoreururajesu uye kuti ugovigwa zvivi zvako pamwe chete naye mukubhabhatidzwa murufu rwake, kuvigwa, nekumuka kwake kuti umutsirwe chisikwa chitsva kuti ufambe muhupenyu hutsva ihwohwo. Kana uchida kudzoka kuna Mwari, saka ndinovimba uchave neushingi

hwekuuta izvozvo uye nekumbundikira Baba vanoshamisa ava. Steve Flatt Anoshamisa Nyasha Chidzidzo #1245
